	building for self help group / <b>unemployed youth</b> entrepreneur 100 nos.				
2025-26	<b>Animal Health &amp; Disease Control Programme</b> Health coverage – 100 % FMD vaccination. Vaccination against PPR, CSF and Brucellosis diseases under NADCP –CS.	-	-	-	-
	<b>Cattle Development</b>				
	1. Enhancement of milk production of 2.5 lakhs litres of milk through distribution of 2500 nos of subsidized milch cows.	1650 subsidized milch cows	760 subsidized milch cows	30 subsidized milch cows	60 subsidized milch cows
	2. Distribution of subsidized cattle feed (8221 MT) to 9135 milch animals to enhance milk production.	5850 MT 6500 milch cows	1642 MT 1825 cows	99 MT 110 cows	630 MT 700 cows
	3. Distribution of subsidized calf feed 6480 MT to 9000 female calves	4248 MT 5900 calves	1800 MT for 2500 calves	72 MT for 100 calves	360 MT for 500 calves
	<b>Poultry Development</b>				
	1. Distribution of 38,000 dual purpose (both meat and egg type)	25500 Giriraja birds	8500 Giriraja birds	4000 Giriraja birds	4000 Giriraja birds
	2. 17,000 nos. of Turkey poult to enhance backyard egg production and meat production.	11000 Turkey poult	5000 Turkey poult	1000 Turkey poult	1000 Turkey poult
	<b>Livestock Production</b> Monitoring of female calves born out of sex sorted semen & IVF calves	-	-	-	-
	<b>Precision Farming</b> Implantation of RFID microchips covering 100% of cattles for systemic monitoring	-	-	-	-
	<b>Fodder</b>				
	1. Introduction of 300 units of Hydroponic fodder unit with capacity 150 Kg / days.	150 Hydroponic fodder unit	150 Hydroponic fodder unit	-	-
	2. Azolla cultivation scheme can be implemented in all villages.	---	---	---	---
	<b>Dairy Development</b>				
1. Supply of Milking Machines to farmers.	-	-	-	-	
2. Strengthening of Central Cooperative Unions by installation of more Bulk Milk Coolers	-	-	-	-	

	(BMC)				
	3. Improvement of Infra- structure development of Milk By-products unit.	-	-	-	-
2026-27	<b>Animal Health &amp; Disease Control Programme</b>				
	1. Establishing 2 Nos. of recognised diagnostic laboratory centre (BSL-2) for disease diagnosis in Puducherry and Karaikal region.	1 diagnostic centre	1 diagnostic centre	-	-
	2. Monitoring of movement of animals in border areas by strengthening check posts.	-	-	-	-
	<b>Cattle Development</b>				
	1. Enhancement of milk production of 3.0 lakhs litres of milk through distribution of 3000 nos of subsidized milch cows	2100 subsidized milch cows	780 subsidized milch cows	40 subsidized milch cows	80 subsidized milch cows
	2. Distribution of subsidized cattle feed (9829 MT) to 10922 milch animals to enhance milk production.	6750 MT 7500 Milch cows	2179 MT for 2422 Milch cows,	135 MT for 150 cows,	765 MT for 850 cows
	3. Distribution of subsidized calf feed (16866 MT) to 18740 female calves.	10800 MT for 12000 calves	5031 MT for 5590 calves	135 MT for 150 calves	900 MT for 1000 calves
	<b>Poultry Development</b>				
	1. Distribution of 40,000 dual purpose (both meat and egg type) Giriraja birds.	27500 Giriraja birds	9500 Giriraja birds	2000 Giriraja birds	1000 Giriraja birds
	2. 20,000 nos. of Turkey poults to enhance backyard egg production and meat production.	14000 Turkey poults	4000 Turkey poults	1000 Turkey poults	1000 Turkey poults
	<b>Livestock Production</b>				
	1. Identifying and introducing breed which performs well in the local agro-climatic condition.	-	-	-	-
	2. Regular and periodical intervention to identify infertile cows.	-	-	-	-
	<b>Infrastructure</b>				
	1. Infrastructure upgradation of 5 Veterinary Dispensary	4 Veterinary Dispensary	1 Veterinary Dispensary	-	-
2. Upgradation of 10 KVCs	8 KVC	2 KVC	-	-	

	<b>One Health</b> Proposal of Modernization of Slaughter House	-	-	-	-
	<b>Fodder</b> Introduction of 400 units of Hydroponic fodder unit with capacity 200 Kg /Days.	200 Hydroponic fodder	200 Hydroponic fodder	-	-
	<b>Dairy Development</b>				
	1. Fair margin to producers to Improve the Socio-economic to the Dairy farmers.	-	-	-	-
	2. Establishment of Milking Parlours	-	-	-	-
<b>2027-28</b>	<b>Animal Health &amp; Disease Control Programme</b>				
	1. Digitalization of veterinary records and Procurement of computers and accessories to 17 Veterinary Dispensaries.	---	---	---	---
	2. Small operation theatres in all veterinary dispensaries.	---	---	---	---
	<b>Cattle Development</b>				
	1. Enhancement of milk production of 3.5 lakhs litres of milk per day through distribution of 3500 nos of milch cows.	2500 milch cows	880 milch cows	40 milch cows	80 milch cows
	2. Distribution of subsidized cattle feed (11700 MT) to 13000 milch animals to enhance milk production	7650 MT for 8500 cows	2970 MT for 3300 cows	180 MT for 200 cows	900 MT for 1000 cows
	3. Distribution of subsidized calf feed (20250 MT) to 22500 female calves	13590 MT for 15100 calves	540 MT for 6000 calves	Mahe-180 MT for 200 calves	Yanam- 1080 MT for 1200 calves
	<b>Poultry Development</b>				
	1. Distribution of 42,000 dual purpose (both meat and egg type) Giriraja birds.	28500 Giriraja birds	10500 Giriraja birds	1000 Giriraja birds	2000 Giriraja birds
	2. 22,000 nos. of Turkey poult to enhance backyard egg production and meat production	15000 Turkey poult	5000 Turkey poult	1000 Turkey poult	1000 Turkey poult
<b>Livestock Production</b>					
Evolve mechanism to monitor the livestock	---	---	---	---	

	population and at the event of decreasing of livestock population, replenish population by free distribution of livestock and poultry utilising the State / CentralGovt. Fund.				
	<b>One Health</b> Eradicating FMD, PPR, CSF, Brucellosis by 2030	-	-	-	-
	<b>Fodder</b> Introduction of 500 units of Hydroponic fodder unit with capacity 250 Kg / days.	350 Hydroponic fodder	150 Hydroponic fodder	-	-
	<b>Infrastructure</b>				
	1. Establishment of two incinerators for scientific disposal of carcass after postmortem in U.T. of Puducherry and Karaikal region.	Establishment of one incinerator	Establishment of one incinerator	-	-
	2. Infrastructure upgradation of 5 Veterinary Dispensary & 15 KVCs	-	-	-	-
2028-29	<b>Cattle Development</b> Enhancement of milk production of 3.75 lakhs litres of milk per day through distribution of 3,750 nos. of subsidized milch cows.	2600 milch cows	980 milch cows	40 milch cows	80 milch cows
	<b>Poultry Development</b>				
	1. Distribution of 43,000 dual purpose (both meat and egg type) Giriraja birds..	29000 Giriraja birds	11000 Giriraja birds	1000 Giriraja birds	2000 Giriraja birds
	2. 23,000 nos. of Turkey poults to enhance backyard egg production and meat production.	15500 Turkey poults	5500 Turkey poults	1000 Turkey poults	1000 Turkey poults
	<b>Livestock Production</b> Evolve mechanism to monitor the livestock population and at the event of decreasing of livestock population, replenish population by free distribution of livestock and poultry utilising the state / central govt. Fund.	-	-	-	-
	<b>Fodder</b>	550	200	-	-

	Introduction of 750 units of Hydroponic fodder unit with capacity 375 Kg / days.	Hydroponic fodder unit	Hydroponic fodder unit		
2029-30	<b>Cattle Development</b> Enhancement of milk production of 4 lakhs litres of milk per day through distribution of 4,000 nos. of subsidized milch cows	2800 Milch cows	1030 Milch cows	40 Milch cows	130 Milch cows
	<b>Poultry Development</b>				
	1. Distribution of 44,000 dual purpose (both meat and egg type) Giriraja birds.	29500 Giriraja birds	11500 Giriraja birds	1000 Giriraja birds	2000 Giriraja birds
	2. 24,000 nos. of Turkey poult to enhance backyard egg production and meat production	16000 Turkey poult	6000 Turkey poult	1000 Turkey poult	1000 Turkey poult
	<b>Livestock Production</b> Evolve mechanism to monitor the livestock population and at the event of decreasing of livestock population, replenish population by free distribution of livestock and poultry utilising the state / central govt. Fund.	-	-	-	-

## 24. SURVEY AND LAND RECOR

Year	Vision @ 2047	Regions			
		Puducherry	Karaikal	Mahe	Yanam
2023-24	GEO-REFERENCED LARGE SCALE MAPPING	a)Publication of Notifications, Survey Plan and Publicity b) Identifying the State Boundary stones in a phased manner for Puducherry region c) Generation of Ortho-photos using Drone Fly in Puducherry region	Will be done separately following Puducherry	Nil	Nil
	UNIQUE LAND PARCEL IDENTIFICATION NUMBER (ULPIN)	Completion of ULPIN in the Manalipet Pilot Village, which is the only fully geo-referenced Revenue village under SVAMITVA	Nil	Nil	Nil
	IMPLEMENTATION OF AGRISTACK	a) Linking of PM-KISAN Data with Land records data b) Geo-referencing of Agricultural land parcels based on the NRSC Satellite Imageries	Nil	Nil	Nil
	DIGITIZATION OF LAND RECORDS	Nil	Nil	a) Completion of digitization of Land Records of Mahe & Yanam regionsand rolling out in public domain.	
	NATIONAL GENERIC	Rolling-out NGDRS in the Pilot Sub-Registry - Bahour Sub-Registry	Nil	Nil	Nil

	DOCUMENT REGISTRATION SYSTEM(NGDRS)				
	AUTOMATIC MUTATION	Automatic Mutation of land parcels of entire extent only	Nil	Nil	Nil
	TRANSLITERATION OF LAND RECORDS IN ALL 22 OFFICIAL INDIAN LANGUAGES	Rolling out of transliteration of land records of UT of Puducherry	Nil	Rolling out of transliteration of land records	
	INTRODUCTION OF AADHAAR IN THE SUB REGISTRIES	Introduction of AADHAAR based biometric authentication for the parties of registration	Nil	Nil	
	INTRODUCTION OF PAN AUTHENTICATION IN THE SUB REGISTRIES	Introduction of PAN Number authentication using NSDL portal	Nil	Nil	
	ONLINE REGISTRATION	Rolling-out of online registration facilitating registration of documents without physical appearance	Nil	Nil	Nil
	ONLINE FEES PAYMENT IN THE SUB REGISTRIES	Online fees payment for Stamp Duty and Registration Fees to enable cashless Sub-Registry	Nil	Nil	Nil
<b>2024-25</b>	CONTINUATION OF GEO-REFERENCED LARGE SCALE MAPPING	a) Preparation for ground truthing for Puducherry region b) Participatory ground truthing of land parcels for Puducherry region	a) Identifying the State Boundary stones in a phased manner in Karaikal, Mahe &		

			Yanam regions b)Generation of Ortho-photos using Drone Fly in Karaikal, Mahe & Yanam regions		
	UNIQUE LAND PARCEL IDENTIFICATION NUMBER (ULPIN)	Implementation of ULPIN in the Geo-referenced Revenue Villages of Puducherry region	Nil	Nil	Nil
	DIGITIZATION OF LEGACY LAND RECORDS	Implementation of digitization of Legacy Land Records	Nil	Nil	Nil
	DIGITIZATION OF REGISTERED OLD DEEDS( 1969 to 2006)	Digitization of registered old deeds in Puducherry region	Nil	Nil	Nil
	INTEGRATION OF AADHAAR WITH LAND RECORDS	Pilot implementation of AADHAAR seeding of Registered Holders of Land Records in UT of Puducherry	Nil	Nil	Nil
	NATIONAL GENERIC DOCUMENT REGISTRATION SYSTEM(NGDRS)	Rolling-out NGDRS in all Sub-Registries in U.T. of Puducherry	Nil	Nil	Nil
	AUTOMATIC MUTATION	Automatic Mutation of deeds involving Sub-Division of land parcels			
	COMPUTERIZATION OF REVENUE COURTS: ESTABLISHMENT OF AN EFFICIENT	Development of portal with all required modules through NIC, Puducherry for filing of cases, generation of case no., generation of notices, hearing of cases, disposal,	Nil	Nil	Nil

	CASE MANAGEMENT SYSTEM	restoration and appeal and availability of judgment.			
	MODERN RECORD ROOMS	Digitized indexing of all the land records in the modern record rooms to the extant French Records from 1914 will be initiated and preservation of such records in scientific manner.	Nil	Nil	Nil
<b>2025-26</b>	CONTINUATION OF GEO-REFERENCED LARGE SCALE MAPPING	Nil	a) Preparation for ground truthing for Karaikal, Mahe & Yanam regions b) Participatory ground truthing of land parcels for Karaikal, Mahe & Yanam regions		
	UNIQUE LAND PARCEL IDENTIFICATION NUMBER (ULPIN)	Completion and rolling out of ULPIN in UT of Puducherry	Nil	Completion and rolling out of ULPIN in UT of Puducherry	
	INTEGRATION OF AADHAAR WITH LAND RECORDS	Continuation of AADHAAR seeding of Registered Holders of Land Records in UT of Puducherry	Nil	Nil	Nil
	COMPUTERIZATION OF REVENUE COURTS: ESTABLISHMENT OF AN EFFICIENT CASE MANAGEMENT SYSTEM	Development of portal with all required modules through NIC, Puducherry for filing of cases, generation of case no., generation of notices, hearing of cases, disposal, restoration and appeal and availability of judgment.	Nil	Nil	Nil
<b>2026-27</b>	CONTINUATION OF GEO-REFERENCED	a) Acknowledgement, Responsibilities and Quality control	Nil	Nil	Nil

	LARGE SCALE MAPPING	for UT of Puducherry b) Creation of Digital Topographic Database for UT of Puducherry			
	DIGITIZATION OF LEGACY LAND RECORDS	Nil	Digitization, completion and rolling out of Legacy Land Records in Karaikal District	Nil	Nil
	DIGITIZATION OF REGISTERED OLD DEEDS( 1969 to 2006)	Nil	Digitization and completion of registered old deeds in Karaikal District	Nil	Nil
	INTEGRATION OF ALL LAND/PROPERTY RELATED RECORDS ON A SINGLE ONLINE PORTAL	Pilot activity of integration of all land/property related records of ownership(Data of land transaction deeds for the last 20 years at all Sub-registrar offices, updated RoR, Cadastral maps, Property Tax, Revenue court case data, Civil court case data, Banks, Electricity, Water) in one single online portal with the co-ordination of IT dept under e-Governance.			
2027-28	CONTINUATION OF GEO-REFERENCED LARGE SCALE MAPPING	a) Recording Objections for resettlement b) Objection redressal/ adjudication for resettlement c) Survey Completion Report for settlement d) Promulgation of Survey e) Rolling out of Geo-referenced Large Scale Mapping			
	DIGITIZATION OF LEGACY LAND RECORDS	Nil	Nil	Digitization, completion and rolling out of Legacy Land Records in Mahe and Yanam regions	
	DIGITIZATION OF REGISTERED OLD DEEDS( 1969 to 2006)	Nil	Nil	Digitization, completion and rolling out registered old deeds in Mahe and Yanam region	

<b>2028-29</b>	ADVANCED DIGITIZATION OF LAND RECORDS	Integration of all land/property related records of ownership(Data of land transaction deeds for the last 20 years at all Sub-registrar offices, updated RoR, Cadastral maps, Property Tax, Revenue court case data, Civil court case data, Banks, Electricity, Water) in one single online portal with the co-ordination of IT dept under e-Governance.

### 32. SCIENCE AND TECHNOLOGY DEPARTMENT

Year	Vision @ 2047	Regions			
		Puducherry	Karai kal	Mahe	Yanam
2023-24	Strengthening the Puducherry Climate Change Project Cell in DSTE through DST, GoI NMSKCC Scheme and carrying out various activities related to climate change strategic knowledge management and capacity building during five-year project period.	✓	✓	✓	✓
	Finalisation and publication of Revised State Action Plan on Climate Change (SAPCC 2.0) prepared in consultation with all the stakeholder departments.	✓	✓	✓	✓
	Identify the green component of the state budget through 'Green Budgeting' for the U.T.	✓	✓	✓	✓
	Carrying out Comprehensive Climate Change Risk Assessment Studies in collaboration with expert agencies and developing an online tool for the U.T.	✓	✓	✓	✓
	Preparation of shoreline management plan for enhancing disaster resilience in coastal areas.	✓	✓	✓	✓
	Developing and implementing Work Integrated Training Program on Climate Change for government officials for mainstreaming climate change in sectoral policies and plans.	✓	✓	✓	✓
	Commencing continuous awareness programs for school students on 'Climate Change &LiFE' in all the schools by 2025, through TOT mode, for inculcating climate change stewardship in young minds.	✓	✓	✓	✓
	Action plan preparation and implementation for achieving 50% share of total grid electricity through renewables by 2030 (NDC & SDG 13.2) – Electricity Dept. & REAP.	✓	✓	✓	✓

	Notifying Green Energy Cess Policy on diesel for financing and promotion of E-mobility schemes.	✓	✓	✓	✓
	Developing the framework and conducting Annual GHG inventory for the U.T.	✓	✓	✓	✓
	Fixing GHG Emission reduction targets for the U.T. of Puducherry in consultation with stakeholders.	✓	✓	✓	✓
	Implementation and monitoring of Perform, Achieve and Trade Scheme in Industries for GHG reduction – REAP	✓	✓	✓	✓
	Preparation of Action Plan to maintain Good air quality  Air quality of U.T. of Puducherry mostly falls in “Good” category as per the CPCB categorization 2022 year Air Quality Index indicate that 50% of ambient air quality in Puducherry is in Good category 45% satisfactory and 5% in moderately polluted. Improving air quality needs multidisciplinary approaches with the involvement of other Departments like Transport, Industry, Public Works Department, Local Administration Department and Town and Country Planning.	✓	✓	✓	✓
	Improving air quality from 50% to 60% in Good Category:  Enforcement of fuel policy of Government of Puducherry to prohibit usage of coal and petcoke as industrial fuel.  Retrofitting of emission control device to all the DG sets of above 500 KVA and in industrial sector.  Installation of Continuous Emission Monitoring System in Red	✓  ✓	✓  ✓	✓  ✓	✓  ✓

category units (133 Nos.).	✓	✓	✓	✓
Upgrading laboratory to monitor PM <sub>2.5</sub>	✓			
Identification of Noise Hotspots and mapping	✓	✓	✓	✓
Evolving scraping policy for end of life vehicle.	✓	✓	✓	✓
Target of Disability Adjusted Life Years (DALY) rate attributable to air pollution (per 1,00,000 population) set as 1442 by GoI to be achieved by 2030 (SDG 13.2) – Health Dept. to collect and report DALY data and PPCC to take measures for reducing air pollution.	✓	✓	✓	✓
Conventional fuels like petrol and diesel used in vehicles are major sources for air pollution by emission of Particulate Matter, Hydro carbons, VOC, NO <sub>x</sub> , CO and heavy metals etc. Hence it is proposed to promote cleaner fuel like CNG/renewable energy source in transport sector.	✓	✓	✓	✓
Providing pipelined supply of PNG, LNG to domestic and industrial sector respectively.				
Popularizing Community bio-gas kitchen centre and installation in one centre as pilot scale.	✓	✓	✓	✓
Installation of Online Continuous Monitoring in medium scale orange category unit.	✓	✓	✓	✓
Establish Continuous Ambient Air Quality Monitoring (CAAQMS) station in Kariakal.	✓	✓		

	<p>Establishing Continuous Noise Monitoring Station in Puducherry</p> <p>Transition of 3 wheeler to E-vehicles / clean fuel (CNG/LNG) vehicles</p>	<p>✓</p> <p>✓</p> <p>✓</p>	<p>✓</p> <p>✓</p> <p>✓</p>	<p>✓</p> <p>✓</p> <p>✓</p>	<p>✓</p> <p>✓</p> <p>✓</p>
	<p>Ensuring 100% compliance of standards for waste water discharge on land / surface water bodies / marine by industries and other discharges – SDG 6.3</p> <p>Identification of drains carrying sewage and mix in water bodies</p> <p>Providing decentralized sewage treatment plants for the drain which reaches water body.</p> <p>Installing Online Monitoring System in Red category industries.</p> <p>Upgradation of Lab to monitored all the water quality parameters.</p> <p>Utilization of 25% of treated sewage.</p> <p>Exploring possibility of utilization of surface water bodies for drinking water supply.</p> <p>Conducting feasibility study for installation of De-Salination plant.</p>	<p>✓</p> <p>✓</p> <p>✓</p> <p>✓</p> <p>✓</p> <p>✓</p> <p>✓</p> <p>✓</p>	<p>✓</p> <p>✓</p> <p>✓</p> <p>✓</p> <p>✓</p> <p>✓</p> <p>✓</p> <p>✓</p>	<p>✓</p> <p>✓</p> <p>✓</p> <p>✓</p> <p>✓</p> <p>✓</p> <p>✓</p> <p>✓</p>	<p>✓</p> <p>✓</p> <p>✓</p> <p>✓</p> <p>✓</p> <p>✓</p> <p>✓</p> <p>✓</p>
	<p>Identification of S&amp;T Needs: Mapping of Science and Technology needs as per the Sustainable Development Goal (SDG) Index for the U.T. of Puducherry and its implementation for SDG–9 (Industry, Innovation and Infrastructure) and SDG–17 (Partnership for the Goals).</p>	<p>✓</p>	<p>✓</p>	<p>✓</p>	<p>✓</p>
	<p>Policy Framework: Framing Science, Technology and Innovation Policy for the UT of</p>	<p>✓</p>	<p>✓</p>	<p>✓</p>	<p>✓</p>

	Puducherry and its implementation till 2032.				
	R & D Needs: Research on thrust areas of regional issues through Academia / knowledge Institutions.	✓	✓	✓	✓
	Scrutinization and implementation of project proposals/schemes for grant from GoI as State Nodal Agency.	✓	✓	✓	✓
	Establishment of Patent Information Centre for up-scaling research and innovation.	✓	-	-	-
	Implementation for Technological Development: Inculcating scientific temper and innovative ideas through Innovation Hub, Atal Incubation Centre, Atal Tinkering Labs etc., on emerging/alternate/disruptive/exponential technology and materials.	✓	-	-	-
	Science as a tool for Communication: Awareness on Science and Technology activities to students and citizens viz., Periodical Sky Watching Programs and on days of Celestial importance ; Science Publications to Schools and Colleges ; Financial assistance for S&T Publications ; Science Camps, Tours and Exhibitions to School Students ; Promoting and sanction of financial assistance for MoEF&CC, GoI Schemes viz., NGC-Eco-clubs, SAP ; Celebration and Expert Lecture(s) on days of Scientific, Technological, Environmental and Cultural importance and Anniversaries of Scientists/Philosophers etc.  Citizen awareness campaign on LiFE -Lifestyle for Environment for sustainable future.	✓	✓	✓	✓
	Forging Partnership through Institutions: Collaborating with academia / institutions for the conduct of Conference / Workshop / Seminar / Symposium of National and International Standards by extending financial assistance to strengthen institutional technical caliber. Travel grant for participation and presentation of Research Papers at Conference / Workshop / Seminar / Symposium of International Level to strengthen individual technical caliber.	✓	✓	✓	✓
	Infrastructure development for increased productivity: Innovation Hub for guiding the innovative ideas of students for better research.	✓	-	-	-
	Providing basic infrastructure amenities for establishing Space Exposition Centre, Digital Planetarium and Innovation Hub at Karaikal.	-	✓	-	-
	Reforms for transparency: Addressing public complaints on environment and pollution issues through Public	✓	✓	✓	✓

	Grievance Redressal Portal (Mobile and Web Applications). Up-scaling OCMMS portal for EoDB compliance.				
	Capacity building programmes for development of Human Resource: Implementation of projects and schemes with grant from GoI in emerging fields of Science, Technology, Environment, Climate Change, Green Energy, Waste to Wealth etc.	✓	✓	✓	✓
<b>2024-25</b>	Developing online portal for tracking the implementation of SAPCC 2.0 action points.	✓	✓	✓	✓
	Framing of Risk Based Adaptation Strategies for enhancing climate resilient measures in key sectors of the U.T. such as coastal, urban, tourism, health, agriculture, and water - continuation of previous year project on developing Comprehensive Risk Assessment Tool.	✓	✓	✓	✓
	Enhancing disaster resilience of coastal areas by implementation scientific / nature-based shoreline protection measures.	✓	✓	✓	✓
	Commencing scientific study on long term changes in the past and present coast line and assessing future changes due to climate change induced sea level rise, in association with NIT Puducherry.	✓	✓		
	Organising National Conference on Strategic Knowledge for Climate Actions.	✓			
	Project formulation and implementing climate smart village programs along the coastal areas with at least one net zero emission village.	✓	✓		
	Improving air quality from 60% to 70% in good category:				
	Shifting of three wheels to E-vehicle under Smart Public Transport System.	✓	✓	✓	✓
	Installation of second CAAQMS in Puducherry.	✓			
	Installation of Online Monitoring System in Small scale Orange Category unit.	✓	✓	✓	✓

Shifting to ZLD by the Red Category units.	✓	✓	✓	✓
Installation of Online Monitoring System in Medium scale orange category units	✓	✓		✓
Providing 100% sewage treatment plants in Puducherry, Kariakal and Yanam Regions.	✓	✓		✓
Rejuvenation of Irrigation Tanks and village ponds for augmenting ground water.	✓	✓	✓	✓
Restoration of Chunnambar and Arasallar from the category of polluted river.		✓		
Utilization of 40% of treated sewage.	✓	✓	✓	✓
Implementation for Technological Development: Encouraging grass root level innovators on emerging / alternate / disruptive / exponential technology and materials for better innovation and career opportunities through skill development / Techno-preneurship programmes.	✓	✓	-	-
Preserving and Transmitting Traditional Knowledge: Identifying and Mapping Geographical Indicator (GI) Tags, documenting traditional knowledge and practices adopted by native communities across various sectors in U.T. of Puducherry. Organizing Science and Culture Fair to promote traditional knowledge.	✓	✓	-	-
Infrastructure development for increased productivity: Construction of Space Exposition Centre, Digital Planetarium and Innovation Hub at Karaikal.	-	✓	-	-
Construction of State-of-the-art Office with Laboratory on Green Building concept and ECBC norms.	✓	-	-	-
Reforms for transparency: E-Office implementation and practice.	✓	-	-	-

2025-26	Commencing study on Low Carbon Pathway / Net Zero Emission Pathway for the U.T. in collaboration with expert institutions.	✓	✓	✓	✓
	Capacity Building of industry / business sector on carbon footprint assessment and reduction and promoting voluntary carbon reduction.	✓	✓	✓	✓
	Framing policies for property tax rebates for houses having renewable energy installations and green vertical walls / rooftops – Local Bodies	✓	✓	✓	✓
	Framing policies to de-carbonize energy intensive sectors to reduce GHG emissions.	✓	✓	✓	✓
	Implementation of Master Plan for enhancing green cover in urban and peri-urban areas - to reduce urban heat island effect.	✓	✓	✓	✓
	Developing participatory biodiversity register at ward level with active community involvement and monitoring biodiversity degradation.	✓	✓	✓	✓
	Improving air quality from 70% to 80% in good category Shifting of three wheels to E-vehicle under Smart Public Transport System.  Installation of second CAAQMS in Puducherry.  Installation of Online Monitoring System in Small scale Orange Category unit.	✓ ✓ ✓	✓ ✓ ✓	✓ ✓ ✓	✓ ✓ ✓
	Shifting to ZLD by Orange category units  Ensuring all the surface water bodies to meet the bathing standards.  Utilization of 60% treated sewage.	✓ ✓ ✓	✓ ✓ ✓	✓ ✓ ✓	✓ ✓ ✓

	Installation of Online Water quality monitoring system in a Chunnambar and Arasallar Rivers.		✓		
	Solid Waste Management Declaring Puducherry as “Dustbin free city”	✓	✓	✓	✓
	Reducing 10% of solid waste reaching disposal site through RRR principals	✓	✓	✓	✓
	Plastic Waste Management Ensuring 80% of Plastic waste for recycling	✓	✓	✓	✓
	Declaring of all tourist places as Litter Free Zone	✓	✓	✓	✓
	Other Wastes Ensuring 100% E-waste recycling	✓	✓	✓	✓
	Setting up of TSDF for Hazardous Waste	✓	✓	✓	✓
	Implementation for Technological Development: Organizing Technocrats, Entrepreneurs, Start-ups, Think Tanks and Innovators meet.	✓	✓	-	-
	Infrastructure development for increased productivity: Work study group to study the existing organizational chart and suggests suitable measures to strengthen the manpower component for establishing new division / cell for better work culture.	✓	✓	-	-
<b>2026-27</b>	Establishing separate Climate Change Division in the DSTE with fund allocation from U.T. Budget for fostering enhanced and sustained strategic actions on climate change adaptation and mitigation.	✓	✓	✓	✓
	Mid-term review and revision of the State Action Plan on Climate Change (SAPCC 2.0).	✓	✓	✓	✓

	Mass awareness campaigns on energy efficient materials and products and clean fuels.	✓	✓	✓	✓
	GIS based mapping of Ground Water and Surface water quality	✓	✓	✓	✓
	Ensuring no treated sewage reach the water bodies	✓	✓	✓	✓
	Utilization of 100% treated sewage.	✓	✓	✓	✓
	Judicial utilization of water resource 50% of Ground water, 25% surface water, 15% of Desalination, and 10% of treated sewage.	✓	✓	✓	✓
	DPR preparation and sanction for real time ground water quality monitoring network in surface and groundwater hot spot areas.	✓	✓	✓	✓
	Setting up of Waste to Energy Plants for MSW in Puducherry	✓	✓	✓	✓
	Setting up of plant to produce Furnace Oil from waste plastics in Karaikal		✓		
	Setting up of e-waste dismantling unit in Karaikal Municipality		✓		
	Setting up of TSDF for Hazardous Waste in Karaikal		✓		
	Forging Partnerships through Institutions: Forging partnership through network of institutions / academia / industries for sharing of knowledge and high endResearch.	✓	✓	✓	✓
	Capacity building programmes for development of Human Resource: Regular Capacity Building Programmes for existing and new Employees through expert agencies / institutes.	✓	✓	-	-
<b>2027-28</b>	Achieving 25% share of total grid electricity through renewables by 2027 (NDC & SDG 13.2) – Electricity Dept. & REAP to review existing plans and prepare and implement action plan.	✓	✓	✓	✓

100% conversion of streetlights to LED (55,000 Nos.) in 2027 and taking measures for maximising propagation of LED lights in building sector for achieving 1 mln Tons of CO2 reduction /annum by 2030(SDG 13.2) - Electricity Dept.	✓	✓	✓	✓
Reviewing the progress and planning forward to maximise the Green Cover in Puducherry to support the national target of achieving additional carbon sink of 2.5 to 3 billion tonnes of CO2 equivalent in the country through additional forest and tree coverby 2030.	✓	✓	✓	✓
Improving air quality from 90% to 100% in good category				
Shifting of all Large scale industry to LNG	✓	✓	✓	✓
Promotion of refuse derived fuels and biogas.	✓	✓	✓	✓
GIS based mapping of Ground Water and Surface water quality	✓	✓	✓	✓
Ensuring no treated sewage reach the water bodies	✓	✓	✓	✓
Utilization of 100% treated sewage.	✓	✓	✓	✓
Judicial utilization of water resource 50% of Ground water, 25% surface water, 15% of Desalination, and 10% of treated sewage.	✓	✓	✓	✓
DPR preparation and sanction for real time ground water quality monitoring network in surface and groundwater hot spot areas.	✓	✓	✓	✓
Setting up of decentralised composting plant in all local bodies	✓	✓	✓	✓
Setting up of Waste to Energy plant in Karaikal and Yanam		✓		✓
Setting up of waste plastic pyrolysis plant in Yanam				✓
Usage of 10% of waste plastics for road making in all the				

	regions	✓	✓	✓	✓
	Setting up of E-waste collection centre in Yanam				✓
	100% utilisation / recycling of non-landfillable Hazardous Wastes	✓	✓	✓	✓
	R & D Needs: Identify ways and means for revenue resources from Innovators / Start-ups and Think Tanks through royalty for IPR.	✓	✓	-	-
	Reforms for transparency: GIS based decision support system for monitoring and enforcement of environmental regulations for industry and commercial establishments.	✓	✓	✓	✓
<b>2028-2029</b>	Infrastructure development for increased productivity: Establishment of additional galleries at Science Centre & Planetarium, Puducherry.	✓	-	-	-
	Preparation of action plan and implementation for upgrading all government buildings by adoption of 100% energy-efficient technologies, renewable energy and water-efficient technologies over next 10 years – PWD, Electricity Dept. and REAP.	✓	✓	✓	✓
	Promoting low carbon buildings with passive design strategies to make them climate resilient.	✓	✓		
	Preparing and Implementing Climate Resilient - Net Zero Emission plan in atleast one village in each region of the U.T. viz. Puducherry, Karaikal, Mahe and Yanam, by 2030.	✓	✓	✓	✓
	Policy to ban diesel vehicles in city limits.	✓	✓	✓	✓
	Preparation of action plan and implementation for maximizing evehicles in transport sector	✓	✓	✓	✓
	Strengthening air quality monitoring with advanced mobile monitoring and testing facilities.	✓	✓	✓	✓
	Policy to ban diesel vehicles in city limits.				

	<p>Preparation of action plan and implementation for maximizing evehicles in transport sector</p> <p>Strengthening air quality monitoring with advanced mobile monitoring and testing facilities.</p>	<p>✓</p> <p>✓</p> <p>✓</p>	<p>✓</p> <p>✓</p> <p>✓</p>	<p>✓</p> <p>✓</p> <p>✓</p>	<p>✓</p> <p>✓</p> <p>✓</p>

**Department / Agency: Renewable Energy Agency Puducherry (REAP)**

<b>YEAR</b>	<b>VISION @ 2047</b>	<b>Puducherry</b>	<b>Karaikal</b>	<b>Mah e</b>	<b>Yanam</b>
<b>2023-24</b>	Action plan preparation and implementation for achieving 50% share of total grid electricity through renewables by 2030 (NDC & SDG 13.2) – Electricity Dept. & REAP.	✓	✓	✓	✓
	Implementation and monitoring of Perform, Achieve and Trade Scheme in Industries for GHG reduction – REAP	✓	✓	✓	✓
	REAP will support installation of solar power plant capacity of 5MW in residential sector	✓	✓	✓	✓
	Solarization of Government buildings in the U.T of Puducherry	✓	✓	✓	✓
	Preparation of Detailed Project Proposal for solarizing Agricultural pumps in the U.T of Puducherry	✓	✓	-	-
	Implementing 50 m <sup>3</sup> capacity of food waste biogas plant	✓	-	-	-

	Preparation of DPR and sanction for project on Concentrated Solar Technology (CST) based cooking for the patients in Government Hospitals	✓	✓	-	-
	Detail Plan preparation for achieving 50% energy savings in all sectors like buildings, industries, agriculture, street lighting, water and sewerage pumping, etc	✓	✓	✓	✓
	Skill development program for youths on renewable energy and energy conservation – 1500 cadres/year.	✓	✓	✓	✓
2024 - 25	REAP will support installation of solar power plant capacity of 25MW in residential sector	✓	✓	✓	✓
	Solarization of Government buildings in the U.T of Puducherry	✓	✓	✓	✓
	Preparation of Detailed Project Proposal for solarizing Agricultural pumps in the U.T of Puducherry	✓	✓	-	-
	Implementing 50 m <sup>3</sup> capacity of food waste biogas plant	✓	✓	-	-
	Preparation of DPR and sanction for project on Concentrated Solar Technology (CST) based cooking for the patients in Government Hospitals	✓	✓	✓	✓

	10% of Annual Energy Savings through Annual Energy Saving plan and Energy Audits	✓	✓	✓	✓
	Skill development program for youths on renewable energy and energy conservation – 1500 cadres/year.	✓	✓	✓	✓
<b>2025-26</b>	REAP will support installation of solar power plant capacity of 50MW in residential sector	✓	✓	✓	✓
	Solarization of Government buildings in the U.T of Puducherry	✓	✓	✓	✓
	Preparation of Detailed Project Proposal for solarizing Agricultural pumps in the U.T of Puducherry	✓	✓	✓	✓
	Implementing 50m <sup>3</sup> capacity of food waste biogas plant	✓	✓	✓	✓
	Preparation of DPR and sanction for project on Concentrated Solar Technology (CST) based cooking for the patients in Government Hospitals in other regions and centralized school kitchens.	✓	✓	✓	✓
	15% of Annual Energy Savings through Annual Energy Saving Plan and Energy Audits.	✓	✓	✓	✓

	Skill development program for youths on renewable energy and energy conservation – 1500 cadres/year.	✓	✓	✓	✓
<b>2026-27</b>	REAP will support installation of solar power plant capacity of 100MW in residential sector.	✓	✓	✓	✓
	Solarization of Government buildings in the U.T of Puducherry	✓	✓	✓	✓
	Preparation of Detailed Project Proposal for solarizing Agricultural pumps in the U.T of Puducherry	✓	✓	✓	✓
	Implementing 100m <sup>3</sup> capacity of food waste biogas plant	✓	✓	✓	✓
	Preparation of DPR and sanction for project on Concentrated Solar Technology (CST) based cooking for the patients in Government Hospitals	✓	✓	✓	✓
	20% of Annual Energy Savings through Annual Saving plan and Energy Audits.	✓	✓	✓	✓
	Skill development program for youths on renewable energy and energy conservation – 1500 cadres/year.	✓	✓	✓	✓

<b>2027 -28</b>	REAP will support installation of solar power plant capacity of 150MW in residential sector	✓	✓	✓	✓
	Solarization of Government buildings in the U.T of Puducherry	✓	✓	✓	✓
	Preparation of Detailed Project Proposal for solarizing Agricultural pumps in the U.T of Puducherry	✓	✓	✓	✓
	Implementing 100m <sup>3</sup> capacity of food waste biogas plant	✓	✓	✓	✓
	Preparation of DPR and sanction for project on Concentrated Solar Technology (CST) based cooking for the patients in Government Hospitals	✓	✓	✓	✓
	30% of Annual Energy Savings through Annual Energy Saving Plan and Energy Audits.	✓	✓	✓	✓
	Skill development program for youths on renewable energy and energy conservation – 1500 cadres/year.	✓	✓	✓	✓
<b>2028-29</b>	REAP will support installation of solar power plant capacity of 200MW in residential sector	✓	✓	✓	✓

Solarization of Government buildings in the U.T of Puducherry	✓	✓	✓	✓
Preparation of Detailed Project Proposal for solarizing Agricultural pumps in the U.T of Puducherry	✓	✓	✓	✓
Implementing 100m <sup>3</sup> capacity of food waste biogas plant	✓	✓	✓	✓
Preparation of DPR and sanction for project on Concentrated Solar Technology (CST) based cooking for the patients in Government Hospitals	✓	✓	✓	✓
40% of Annual Energy Savings through Annual Energy Saving Plan and Energy Audits.	✓	✓	✓	✓
Skill development program for youths on renewable energy and energy conservation – 1500 cadres/year.	✓	✓	✓	✓

### 33. DRDA

Year	Vision @ 2047	Regions			
		Puducherry	Karaikal	Mahe	Yanam
2023 - 24	<b>1. Livelihood Security for rural household- Mahatma Gandhi National Rural Employment Gurantee Scheme (MGNREGS)</b>				
	1. Prepare an updated and comprehensive Gram Panchayat Development Plan (GPDP) to identify scope of works and employment potential.	81 GPs	27 GPs		
	2. Preparation of UT Livelihood development strategy based on gaps identified in the GPDP.	4Qtr 2023-24	4th Qtr 2023-24		
	3. To provide 10 lakh mandays and assured work to all job seekers.	30 Lakhs Mandays	10 Lakhs Mandays		
	4. Undertake horticulture plantation, moringa plantation, social forestry etc. for creation of additional mandays.	40 GPs	20 GPs		
	<b>2. Livelihood Security- Self Help Group Model under National Rural Livelihood Mission</b>				
	1. Facilitate 25 SHG members led pink EV Auto under Community Investment Fund.	25 SHG members	0		
	2. Establishment of nine Integrated Farming Clusters for women farmers along with fifteen Custom Hiring Centers facilitated by SRLM.	20	10		
	3. Facilitate bank linkage and credit facility for economic enterprises such as beauty parlour, ponlait milk booth etc by the federation of transgender women.	2	0		
	<b>3. Clean Water, Sanitation and Waste Management.</b>				
	1. Sustain status of Open Defecation Free for all the villages	81GPs	27GPs		
	2. Declare all villages as ODF+ (Model) Villages	81GPs	27GPs		
	3. Complete retrofitting of 2500 single pit toilets into twinpit toilets	-	27 GPs		
	4. Provide Community soak pits for grey water management of atleast 70 Gram Panchayats	50 GPs	20 Gps		
	5. Establishment of 4 Dewatering systems for localized water treatment.	2 Gps	2 GPs		

6. Establish Feecal Sludge Management System in Pondicherry district for 100% safe disposal and treatment of feecal sludge	81 GPs	-		
7. Construct 4 Community Sanitary Complexes for migrant and floating population in public places	2 GPs	2 GPs		
8. Establish dedicated waste processing facilities for rural areas of 150 and 80 TPD capacities respectively for Pondicherry and Karaikal district.	81 GPs	27 GPs		
9. Commencement of clearance of legacy waste and establishment of functioning Material recovery facility.	81 GPs	27 GPs		
10. Focus on plastic waste management by establishing waste processing facility.	81 GPs			
<b>4. Water Secure</b>				
1. Proposed laying of 15 km of pipeline for water supply and provide household water supply to 400 new households.	35 KM	15 KM		
2. Rejuvenation of 150 big water bodies ( with 10,000 cum capacity) as AmritSarovars for improved water storage.	150 Water bodies	75 waterbodies		
3. Augment AmritSarovars by enhancing green cover through plantation of fruit and flower bearing plants, landscaping, enhance biodiversity etc.	150 Water bodies	75 waterbodies		
4. Promote social activities such as conduct of SHG meetings, Gram Sabha meetings and celebration of national festivals such etc around AmritSarovar.	81 GPs	27Gps		
5. Involvement of NGOs active in water conservation for protection and maintenance of AmritSarovar.	interested NGOs	interested NGOs		
6. Encroachment removal around these water bodies to enhance water regenerative capacity.	150 Water bodies	75 waterbodies		
7. De-silt and rejuvenate additional 1000 water bodies, including ponds, river channels etc under MGNREGS before monsoon for conservation of surface water and recharge of ground water.	81 GPs & explore Urban water bodies also	27Gps & explore Urban water bodies also		
8. Frequent measurement of water stored in open wells using JALDOOT MIS Application for timely and specific	81GPs	27GPs		

	interventions.				
	<b>5. Infrastructure development- Roads, electricity, Over Head Tank and others.</b>				
	1. Construct major road length of around 17.06 km and minor road length of 49 km.				
	2. Upgrade 50 km of Rural Roads under the PMGSY-2 as well as PMGSY-3 Scheme.	35	15		
	3. Improve minor roads of around 61 km.				
	4. Construction of drain totalling 63 km.				
	5. Rolling out smart metering system for consumers.				
	6. Installation of 5 EV Charging stations for promotion of E-vehicles				
	7. Installation of solar power of 5 MV.				
	8. Establishment of more than 50 rural electrical grids for continuous and uninterrupted power to small and medium enterprises, cold storage chains etc.				
	9. Construction of 6 overhead water tanks with decentralized 8000 distribution grids.				
	10. Establish 2 gas crematorium.				
	11. Construction of 9 playground and parks in villages.				
<b>2024-25</b>	<b>1. Livelihood Security for rural household- Mahatma Gandhi National Rural Employment Gurantee Scheme (MGNREGS)</b>				
	1. Generate more than 10 lakh mandays by identifying activities involving construction of more durable assets and enhancing green cover of the UT, in addition to rejuvenation of water bodies.	40 Lakhs Mandays	20 Lakhs Mandays		
	2. Identify increased number of work sites to bridge gap in demand for work	81 GPs	27GPs		
	3. Upskill the MGNREGA workers and give employment in works such as construction of community halls, libraries, Office for SHGs etc.	81 GPs	27GPs		
	4. Ensure 100% coverage of all social security schemes and provisions for the workers.	36800 SHG members will be covered in Dec 2023	14500 SHG members will be covered in		

			Dec 2023		
<b>2. Livelihood Security- Self Help Group Model under National Rural Livelihood Mission</b>					
1. Facilitate formation of additional 300 elder based SHG, promote 1000 Livelihood Groups, 100 Producer Groups and form 2 Farmer Producing Organizations.	250 elder SHGs, 700LG,70PGs and 1 FPO	50 elder SHGs, 300 LG,30PGs and 1 FPO			
2. Promote 2 Women Managed Farmer Producer Companies with 10,000 share holders—to fetch premium price in the market for their produce.	1 Women farmers FPO with 5000 share holders	1 Women farmers FPO with 5000 share holders			
3. Promote and strengthen 3 seed banks made of local varieties of traditional seeds by the SHGs	2 seed banks made of local varieties of traditional seeds by the SHGs	1 seed banks made of local varieties of traditional seeds by the SHGs			
4. Extend the pink E-auto to 50 more women by facilitating credit facilities.	30	20			
5. Promote 10 marketing outlets in urban areas for SHG produce.	5	5			
<b>3. Clean Water, Sanitation and Waste Management.</b>					
1. Establish Feecal Sludge Management System in Karaikal district for 100% safe disposal and treatment of feecal sludge	-	27 GPs			
2. Establishment of 7 Dewatering systems for localized water treatment	5GPs	2 GPs			
3. Ensure well functioning three Gobardhan plants	2 GPs	1 GP			
4. Provide Community soak pits for grey water management of all 108 Gram Panchayats	81 GPs	27 GPs			
5. Ensure house-to-house segregated waste collection from the rural areas for processing	81 GPs	27 GPs			
6. Promote in-house waste processing with a waste-to-wealth	81 GPs	27 GPs			

	mindset				
	7. Infrastructure for mobile toilets for vulnerable communities	81 GPs	27 GPs		
	8. Emphasis on menstrual hygiene and provision of safe and secured ecosystem for women	81 GPs	27 GPs		
<b>4. Water Secure</b>					
	1. Proposed laying of 18 km of pipeline for water supply and provide household water supply to 660 new households.				
	2. Desilt 1000+ water ponds with more depth to facilitate ground water recharge under MGNREGS.				
	3. Inter-linking of cattle sheds with small size water bodies to optimize water use.				
	4. Adopt “Rapid Recharge Technology” for prominent wells for sub-surface water storage, prevention of evaporation loss, and permeation of coastal water into groundwater table.				
	5. Promote works of interlinking of minor irrigation canals to mitigate floods, especially across coastal villages.				
	6. Launch campaign of “Own Your Pond” to involve local communities to maintain the ponds.				
	7. Establishing water grievance cell at Gram Sabha level with representatives from the nodal departments for immediate actions in matters pertaining to water security.				
<b>5. Infrastructure development- Roads, electricity, Over Head Tank and others.</b>					
	1. Upgrade 50 km of Rural Roads under the PMGSY-3 and another 56 km of minor roads.	35	15		
	2. Construct road length of around 10.5 km major roads and 45 km of minor roads.				
	3. Construction of 4 overhead water tanks with decentralized 9000 distribution grids and 4 borewells with pumpset system.				
	4. Construction of drain of 66.5 km.				
	5. Establishment of 2 Community based water quality monitoring				

	infrastructure.				
	6. Provide Gas crematorium facilities in major villages with significant population.				
	7. Provision of high-speed wifi in public places such as marketplaces, bus stands etc.				
	8. Proposed provision of 25 Energy Efficient DTRs alongwith replacement of 65 old non- star rated DTRs.				
	9. Segregation of 30 ckm agriculture feeders in 4 villages.				
	10. Conversion of HTL into Underground lines (17 ckm)				
	11. Replacement of old frayed conductors and bare conductors at multiple locations.				
	12. Solarization of 7 agricultural feeders by installation of grid connected solar power plant under KUSUM scheme.				
	13. Installation of 5 MW rooftop solar.				
	14. Installation of 15 EV charging stations on rural highways.				
2025 – 26	<b>1. Livelihood Security for rural household- Mahatma Gandhi National Rural Employment Gurantee Scheme (MGNREGS)</b>				
	1. Provide employment to more than 10 lakh households in construction activities for rural infrastructure.	70 Lakhs Mandays	30 Lakhs Mandays		
	2. Facilitate the scheme for construction of various individual house assets such as installation of solar panels, retrofitting of old water supply system etc.	10 GPs	5 GPs		
	3. Establish a Community Academy for training, skill enhancement of workers for improved source of income.	2 GPs	1GP		
	4. Emphasis on self-sustainable tourism model and development of tourist sites under the scheme for imporved income.	Bahour	Thirunallar		
	5. Exploring the potential of e-commerce such as Amazon, Flipkart, Big Basket, supermarkets and modern trade for placing and promotion of SHG produced products.	Puducherry through FPO and PG explored			
	6. On-boarding the economically active SHG with adequate inventory on the emerging marketplaces.	2	1		
	7. Ensure 100% digital financial transaction at all levels.	36000 families, 81	20000 families		

		PLF and I BLF	27 PLF and I BLF		
<b>2. Livelihood Security- Self Help Group Model under National Rural Livelihood Mission</b>					
1. Form additional 200 elder based,, promote 200 Livelihood Groups, 50 Producer Groups and form 1 Farmer Producing Organization		I FPO exclusively for elder	I FPO exclusively for elder		
2. Establish sensor based laboratory for disease monitoring in the plants, operated and managed by the SHG		1 unit in Puducherry will be established	0		
3. Establish and promote a brand with focus on marketing, advertising and effective forward linkage of the products produced by SHG enterprises.		Neithal Braand			
4. Establish community driven Cluster based incubation centres for standard packaging of SHG products.		2	1		
5. Train the SHGs for inventory and resource management.		2	1		
6. Dedicated retail placement strategies for the FPOs products.		3 FPOs	2Fpos		
<b>3. Clean Water, Sanitation and Waste Management.</b>					
1. Establishment of 10 Dewatering systems for localized water treatment		7 GPs	3GPs		
2. Leverage advancements in technology for smart toilets to reduce water dependence		81 GPs	27 GPs		
3. Enhance role and participation of rural communities through activities such as ShramDaan to maintain cleanliness of water bodies by focussing on ownership.		81 GPs	27 GPs		
4. Emphasis on management of by-products of menstrual hygiene by using advanced incinerator technologies for safe disposal of sanitary napkins.		81 GPs	27 GPs		
5. Training and capacity building of rural communities in technologies for operation and maintenance of assets created for sanitation.		81 GPs	27 GPs		

<b>4. Water Secure</b>				
1. Proposed laying of 22 km of pipeline for water supply and provide household water supply to 900 new households.				
2. Desilt 1000+ water ponds with more depth to facilitate ground water recharge under MGNREGS.				
3. Geo-tagging all the water bodies and prepare a “Water Secure” database				
4. Integrate spatial rural facility map with geo-tag database for real time monitoring of quantum of water storage facilities.				
5. Promote storage of rainwater in backyard, alongwith backyard kitchen garden.				
6. Faciliate each gram panchayat to prepare “Village Water Security Plan” and incorporate it as part of Gram Sabha meetings.				
<b>5. Infrastructure development- Roads, electricity, Over Head Tank and others.</b>				
1. Construct major road length of around 17.3 km and minor road of length 55.				
2. Upgrade 50 km of Rural Roads under the PMGSY-3 and additional improvement of roads of length 60 km.		35	15	
3. Construction of 5 overhead water tanks with decentralized 17,000 distribution grids and 6 borewells with pumpset system.				
4. Establish 8 gas crematorium.				
5. Erection of LT lines and ABC cables for 50 kms.				
6. Installation of 22/0.433KV DTs - 100 Nos. & 11/0.433KV DTs - 20.				
7. Installation of 5 MW rooftop solar.				
8. Installation of 15 EV charging stations				
9. Leverage the Rural Infrastructural Promotion Fund from NABARD for advanced and smart rural infrastructure and facilities.				

	10. Construction and piloting of Smart and Climate Proof/resilient houses in vulnerable locations.				
2026 – 27	<b>1. Livelihood Security for rural household- Mahatma Gandhi National Rural Employment Gurantee Scheme (MGNREGS)</b>				
	1. Engagement of the workers in construction and functioning of community artificial well for rapid recharge systems, inter-linking of drains etc for water security.				
	2. Engagement of workers in achieving objectives of clean and sustainable sources of energy such as installation of solar lights and panels in public places.	81 GPs	27Gps		
	3. Leverage skills of workers for individual asset creation such as backyard nutrition garden, water storage etc.	36800 SHG members will be covered in Dec 2023	14500 SHG members will be covered in Dec 2023		
	4. Promote a skill development hub for these workers for diversified capacity building.				
	<b>2. Livelihood Security- Self Help Group Model under National Rural Livelihood Mission</b>				
	1. Promote and facilitate another 100 Livelihood Groups and 50 Producer Groups.	80 LG and 30 PGs	20LG and 20 PG		
	2. Promote kitchen backyard garden in all rural households by internal distribution of seeds and plant saplings, focusing on improved nutrition.	35000 families	20000 families 27 PLF and I BLF		
	3. Promote HORECA (Hotel, Restaurants, Cafe) business by the SHG as contribution towards rural tourism and economy.	30 SHGs members will be involved	15 SHG members will be involved		
	4. Enabling all the SHG members to become economically productive and viable enterprises and compete professionally with the market players.	through 3 FPOs	through 2 FPOs		
	5. Provide extensive training of principles of business management and entrepreneurship to the SHGs.	through 3 FPOs	through 2 FPOs		

<b>3. Clean Water, Sanitation and Waste Management.</b>				
1. To focus on community ownership for assets such as river, canals, ponds, and other water bodies to ensure cleanliness	81 GPs	27 GPs		
2. To internalize cleaning of water bodies as important concern of rural development	81 GPs	27 GPs		
3. Use of fit-for-purpose wastewater solutions for treatment of water.	81 GPs	27 GPs		
4. Facilitative system to enable individual households to establish systems of water treatment at household level.	81 GPs	27 GPs		
<b>4. Water Secure</b>				
1. Proposed laying of 26.5 km of pipeline for water supply and provide household water supply to 1085 new households.				
2. Retrofitting of existing water supply system for end-to-end water use management and promoting re-use of water				
3. Promote artificial injection of water into groundwater for its replenishment.				
4. Develop Model Climate Proof house models based on judicious use of water by optimum reuse and recycle of water.				
5. Regulatory provisions for industries to significantly reduce the use of water.				
<b>5. Infrastructure development- Roads, electricity, Over Head Tank and others.</b>				
1. Construct major road length of around 28 km and minor road of 54 km				
2. Upgrade 50 km of Rural Roads under the PMGSY-3 and improve additional 55 km of minor roads.	35	15		
3. Construction of 3 overhead water tanks with decentralized 4000 distribution grids and 3 borewells with pumpset system.				
4. Establish 8 gas crematorium.				
5. Installation of Smart Pre paid meters to all category of new				

	consumers in UT of Puducherry - 14300 nos.				
	6. Installation of 5 MW rooftop solar.				
	7. Installation of 15 EV charging stations.				
	8. Construction of dedicated office system for the Block Level Federations as focal Village Knowledge Centres equipped with all facilities for disaster mangement, training of rural communities, access for SHGs etc.				
	9. Repair, renovation and retrofitting of government libraries.				
	10. Establishment of infrastructure for renewable energy and harnessing potential through PPP mode.				
	11. Establishment of 10 rural market/haatinfrastructure equipped with one- stop for the products approach and with advanced ecosystem for sale of rural products.				
2027 – 28	<b>1. Livelihood Security for rural household- Mahatma Gandhi National Rural Employment Gurantee Scheme (MGNREGS)</b>				
	1. Undertake Village level Impact assessment of the scheme and identify work-sites for the job seekers.	81 GPs	27GPs		
	2. Document the assets creation using GIS Mapping with important spatial and temporal details for monitoring of work sites.	81 GPs	27GPs		
	3. Promote participation of the workers for creation of durable assets in both community and household level.	81 GPs	27GPs		
	<b>2. Livelihood Security- Self Help Group Model under National Rural Livelihood Mission</b>				
	1. Augment R&D in agro practices driven by the women as part of community driven initiatives with emphasis on organic farming.	50 acres	25 acres		
	2. Scale up the Block Level Federations with professionally managed organisations with best Human Practices and economic growth driven approach.	2 BLF	1 BLF		
3. Strengthen legal and corporate fundamentals of the SHG enterprises for more organized business operations.	81 PGs	27Gps will be covered			

4. Leverage advanced technology for market intelligence for the SHGs for demand driven production and profitable business.	through 3 FPOs	through 2 FPOs		
5. Emphasis on women owned assets (either in their name or joint with husbands) in atleast 60% of rural households	30000 households will be ensured out of 40000 house holds	18000 house holds will be ensured out of 20000 house holds		
<b>3. Clean Water, Sanitation and Waste Management.</b>				
1. Ensure DEWATS in all habitations.	81 GPs	27 GPs		
2. Ensure mitigation of groundwater pollution (due to increased industrialization and other factors) by partnering with expert agencies.	81 GPs	27 GPs		
<b>4. Water Secure</b>				
1. Proposed laying of 15 km of pipeline for water supply and provide household water supply to all new households.				
2. Develop sustainable village cluster models based on complete water management and ensuring 0% waste and 100% recycling of all the water.				
3. Incorporate “Water-Proofing” as a pertinent aspect in all infrastructural development plans.				
4. Ensuring offseason tillage for all agricultural purposes to reduce water dependence.				
<b>5. Infrastructure development- Roads, electricity, Over Head Tank and others.</b>				
1. Construct and upgrade major road length of upto 90 km, including upgradation of old and wearing roads.				
2. Construct 55 km of minor roads and repair another 50 km of roads.				
3. Construction of 4 overhead water tanks with decentralized 3500 distribution grids and 3 borewells with pumpset system.				

	4. Establish 10 gas crematorium.				
	5. Erection of 50 km of LT lines, 85 km of ABC lines and 11.				
	6. Strengthening HT feeders.				
	7. Establishment of 15 Cold storage facilities, rural warehouses for storage and logistical support for FPO produces.				
	8. Construction of 5 overhead water tank with extensive and last-mile distribution through 4000 grids.				
2028 – 29	<b>1. Livelihood Security for rural household- Mahatma Gandhi National Rural Employment Gurantee Scheme (MGNREGS)</b>				
	1. Enhance role and participation of MGNREGA labour in construction and infrastructural augmentation activities proposed by various line departments.	2 association	1 association		
	<b>2. Livelihood Security- Self Help Group Model under National Rural Livelihood Mission</b>				
	1. Leverage dividends of economic upliftment for social mobility, reduced gender inequity and increased participation of women in decision making of both domestic and social matters.	Through 2 GRC	through 1 GRC		
	2. Saturation of all elderly women, other women and transgender women under the fold of financial assistance.	100 % saturation	100% saturation		
	<b>3. Clean Water, Sanitation and Waste Management.</b>				
	1. Prepare, promote, propagate and adopt Waste Management policy and water policy for the UT.	81 GPs	27 GPs		
	2. Develop mobile application based on AI algorithms for water quality monitoring, complemented with IoT based sensors for timely solutions.	81 GPs	27 GPs		
	3. Prepare, promote, propagate and adopt Waste Management policy and water policy for the UT.	81 GPs	27 GPs		
4. Develop mobile application based on AI algorithms for water quality monitoring, complemented with IoT based sensors for timely solutions.	81 GPs	27 GPs			

	<b>4. Water Secure</b>				
	1. Establishment of low cost Tertiary Treatment Reverse Osmosis plants in community				
	2. for wastewater management and use of by- products in non-potable uses.				
	3. Sustain rejuvenated water bodies and enhance their water holding capacity.				
	<b>5. Infrastructure development- Roads, electricity, Over Head Tank and others.</b>				
	1. Laying of 10 km each of LT and LT ABC lines.				
	2. Laying of 150 km of LT Underground and 100 km of HT UG lines.				
	3. Provision of 3 new HVDS DT in major villages of Karaikal and replacement of 40 old ones.				
	4. Installation of 7 MW of Solar Panels.				
	5. Construction of 2 OHTs with 8500 distribution grids.				
	6. Laying of 16 km of major roads.				
	7. Saturation towards upgradation of all roads connecting the rural habitations.				
<b>2029 – 30</b>	<b>1. Livelihood Security for rural household- Mahatma Gandhi National Rural Employment Gurantee Scheme (MGNREGS)</b>				
	1. Sustainable source of livelihood for MGREGA workers through up-skilling and alternative opportunities.	Unnathi project	Unnathi project		
	2. Facilitate formation of 600 elder based, 20 Youth based SHGs, promote 500 Livelihood Groups, 50 Producer Groups and form 1 Farmer Producing Organization.	450 elder SHGs, 10 Youths, 350 Livelihood groups and 30 producer groups	150 elder SHGs, 10 Youths, 150 Livelihood groups and 20 producer groups		
	3. Supporting women farmers under SHG to cultivate millet in view of International Year of Millets.	200 families boths in ariyankuppam and	100 familes in Karaikal Block		

		Villianur Block			
4. Promote awareness on millet consumption through special cafes run by SHG.		6 in Ariyankuppam & Villianur Block	3 in Karaikal Block		
5. Facilitate provision of descriptive breed of goats to 3000 women farmers for income diversification.		2000 women farmers in Ariyankuppam & Villianur Block	1000 women farmers in Karaikal Block		
6. Introduce and implement special project on empowerment of single women, covering 6000 women.		4th Qtr	4th Qtr		
<b>2. Livelihood Security- Self Help Group Model under National Rural Livelihood Mission</b>					
1. Ensure secured livelihood and income for all rural women and reduced dependence on male counterparts.		100 % productive assets will be created in the name of women	100 % productive assets will be created in the name of women		
2. Promote women led and women run community institutions, assets and infrastructure.		81 PLF, 1 BLF and 3 FPOs	27PLFs, 1 BLF and 2 FPOs		
<b>3. Clean Water, Sanitation and Waste Management.</b>					
1. Adopt “sanitation as a business approach” and promote village entrepreneurship in sectors of sanitation for self reliant and sustainable sanitary and waste management solutions.		81 GPs	27 GPs		
<b>4. Water Secure</b>					
1. Emphasis on significant reduction of water demand by plugging gaps in water supply in agriculture, industries, other non-potable uses at household and community levels.					
<b>5. Infrastructure development- Roads, electricity, Over Head Tank and others.</b>					
1. Laying of 10 km each of LT and LT ABC lines.					
2. Laying of 150 km of LT Underground and 100 km of HT UG lines.					

	3. Provision of 3 new HVDS DT in major villages of Karaikal and replacement of 40 old ones.				
	4. Installation of floating solar panels in lakes and rivers.				
	5. Construction of 2 OHTs with 8500 distribution grids.				
	6. Laying of 16 km of major roads.				
	7. Saturation of all habitations with Over head tanks as well as piped water supply systems to each households.				

### 34. TOURISM

Year	Sl.No	Proposed Action Plan for Puducherry Region
<b>Vision Strategy 1:</b> Ensuring robust policy frameworks to transform from mass to class tourism and private sector to led growth in tourism and hospitality sector.		
Year 2023 - 2027	1. Policy Frameworks	
	(a)	Preparation of Perspective Plan and comprehensive tourism policy for next 10 years covering all verticals of the destination and incentive scheme for new tourism projects.
	(b)	Preparation of Destination Master Plan
	(c)	Preparation of Tourism Destination Management Plan covering sustainable development of coastal area in the UT and Notification.
	(d)	Preparation of DPRs for various tourism projects to seek financial support from the Government of India.
	(e)	Preparation of Public Private Partnership Policy.
	(f)	Land Bank Scheme and guideline for land leveraging.
	(g)	Ease of Doing Business - Single Window Clearance for tourism projects.
	(h)	Seeking relaxation from Govt. of India for leasing of land to specific projects for more than 19 years
	2. Improving Connectivity - Road/Rail/Sea/Air	
	(a)	Phase-I Expansion of Puducherry Airport.
	(b)	Improving last mile connectivity to the tourist locations.
	(c)	Signage at all the entry points and strategic locations
	(d)	Hop-on-Hop off service
	3. Foster a truly 24-hour economy	
	(a)	Framing Travel & Trade Act.
	(b)	Allowing operation of tourism and hospitality establishment for 24 hrs.
	4. Operation and Maintenance of assets	
	(a)	Selection of successful bidder for O&M of (a) Franco-Tamil Village at Murungapakkam (b) Cultural & Convention Complex and (c) Old Tourism building at beach road.

Year 2028 - 2032	1. Policy Frameworks	
	(a)	Pooling unutilized lands available with other Departments for Land Bank Scheme.
	(b)	Framing Guidelines for Tri-Partnership Projects (Land Owner - Govt - Investor).
	(c)	Creating Infrastructure Development Agency.
	2. Improving Connectivity - Road/Rail/Sea/Air	
	(a)	Increasing frequency of air connectivity and flights to other major cities in India.
	(b)	Phase-II Expansion of Puducherry Airport.
	(c)	Wayside Amenities at all the entry points.
	(d)	Multilevel Parking facilities
	(e)	Luxury Bus Service from nearby Cities.
	(f)	Ferry service from Puducherry & Karaikal.
	(g)	More Rail Service to major metros.
	(h)	E-Vehicle Services.
	3. Foster a truly 24-hour economy	
	(a)	Creating Monitoring Cell.
(b)	Single Window Clearance - online facility.	
(c)	Creating Tourist Police for Safety & Security	
4. Operation and Maintenance of assets		
(a)	Selection of successful bidder for O&M of new assets	
Year 2033 - 2037	1. Policy Frameworks	
	(a)	Amendment and upgradation of policy frameworks / rules etc.
	(b)	Organizing Road Shows and Investor Meet in major cities in India and International.
	(c)	Shifting all the Government offices functioning in the heritage building and utilizing the building for tourism activity.
	2. Improving Connectivity - Road/Rail/Sea/Air	
	(a)	Phase-II Expansion of Puducherry Airport.
	3. Foster a truly 24-hour economy	
	(a)	Implementation and Monitoring
	4. Operation and Maintenance of assets	

	(a)	Selection of successful bidder for O&M of new assets	
Year 2038 - 2042	1. Policy Frameworks		
	(a)	Implementation and promotion of policy frameworks.	
	(b)	Organizing Road Shows and Investor Meet in major cities in India and International.	
	2.Improving Connectivity - Road/Rail/Sea/Air		
	(a)	Sea Cruise Terminal.	
	(b)	Yacht Marina.	
	(c)	Phase-II expansion of Puducherry Airport.	
	3. Foster a truly 24-hour economy		
	(a)	Implementation and Monitoring.	
	4. Operation and Maintenance of assets		
(a)	Selection of successful bidder for O&M of new assets.		
Year 2043 - 2047	1. Policy Frameworks		
	(a)	Implementation and promotion of policy frameworks.	
	(b)	Organizing Road Shows and Investor Meet in major cities in India and International.	
	3. Foster a truly 24-hour economy		
	(a)	Implementation and Monitoring.	
	4. Operation and Maintenance of assets		
	(a)	Selection of successful bidder for O&M of new assets.	
	Review of Policies and making required amendments and implementation.		
Organizing Road Shows/ Investor Meet.			

Year	Sl.No	Proposed Action Plan
<b>Vision Strategy 2: Promoting sustainable, responsible and inclusive tourism.</b>		
Year 2023 - 2027	1. Creation of new tourist attractions and facilities	
	(a)	Eco Beach development in Puducherry
	(b)	Development of old temples, churches and mosques in Puducherry, Karaikal and Mahe. (Spiritual Circuit-II).
	(c)	Develop & Promote Temple Architecture.
	(d)	Developing Yoga & Meditation Centres through private involvement.
	(e)	Promoting Sea Cruises for deep sea recreation.
	(f)	Promoting Scuba and Recreational Fishing.
	(g)	Promoting Sailing, Surfing Activities.
	2. Make tourism accessible to all	
	(a)	Improve accessibility and connectivity to create seamless end-to-end journeys for all visitors.
3. Improving green credentials of the destination.		
(a)	Creating more Green Spaces. Adopting Green / Renewable Energy Sources. Including Waste Management as part in each project.	
Year 2028 - 2032	1. Creation of new tourist attractions and facilities	
	(a)	Expansion of Puducherry Airport
	(b)	Eco Beach development in Puducherry
	(c)	Development of "Pondy Necklace".
	(d)	Log Huts/Eco Cottages at beaches.
	(e)	Lake Resort/Eco Cottages at Kirumampakkam lake.
	(f)	Development of Bahour&Oussudu lake.
	(g)	Lakes and Mangrove development at Karaikal.
	(h)	Urban Forest at Swadeshi Mills premises.
	(i)	Development of Natural History Museum.
	(j)	Sound & Light Show in Puducherry
	(k)	Promoting our beaches for destination wedding.
	2. Make tourism accessible to all	

	(a)	Signage at all the entry points and strategic locations.
	(b)	Special Bus Services from Chennai Airport to Puducherry.
	(c)	Hop-on-Hop-Off City Tours.
	(d)	Additional Train Services from all the metros.
	(e)	Parking facilities at the town in Puducherry.
