2. The objective of the Unique ID project is to create a Core Data base (CDB) which is regularly updated and easily accessible and used by all departments for identification of residents in the country for various purposes. The UID is intended to be used in the first instance as the basis for efficient delivery of various social and welfare services of the Government. One of the key advantages envisaged as an outcome of the project is that the Unique ID will be useful in reducing identity related fraud and allow targeted people to get the benefits they are entitled to from the Government.

3. The Planning and Research Department is the nodal Department for the UID Implementation in the UT of Puducherry.

4. This issues with the concurrence of the Finance Department vide their U.O.No.22211/2010/F5/A3 dt. 09.04.2010.
