SUMMARY RECORD OF THE MEETING BETWEEN THE DEPUTY CHAIRMAN, PLANNING COMMISSION AND THE CHIEF MINISTER, PONDICHERRY HELD ON 05.06.2003 TO FINALISE THE SIZE OF THE UT ANNUAL PLAN 2003-04.

A meeting was held under the Chairmanship of the Deputy Chairman, Planning Commission in New Delhi on 05.06.2003 to finalize the Annual Plan (2003-04) of Pondicherry.

2. The list of participants is given in Annexure-II.

3. While appreciating the performance of Pondicherry in the implementation of programmes relating to Health and Family Welfare, the Deputy Chairman requested the UT Administration to utilise the available infrastructure and manpower effectively to improve the quality of health service further.

4. He expressed concern over the over-exploitation of ground water in Pondicherry and felt the need for effecting regulatory frame work for checking the same. He emphasized the need to have a complete resource mapping of the area to study the salinity of water and chalk out remedial policy measures like afforestation and farm forestry to check intrusion of saline water. As agriculture and allied sectors continued to be an important source of livelihood efforts should be made for development of this sector.

5. He emphasized that loss making Public Sector Enterprises of the Union Territory needed to be revived or closed.

6. He noted that the estimated average tariff for the current year, exceeded the average cost of power supply. This trend should be maintained. However, the low level of agricultural tariff called for immediate revision for facilitating better management of the scarce water resources.

7. While referring to the tourism potential of the UT, the Deputy Chairman observed that infrastructure development could be encouraged in the private sector to ensure dispersal of tourist centres in different parts of the UT.

8. It was emphasized that there was need for constant upgrading of services in the areas of public health, water supply, garbage and sewerage management as well as integrated rural-urban planning because of migration of large number of population from the neighbouring States.

9. Deputy Chairman emphasized the need for early Gram Panchayat elections in the Union Territory which was long pending. With the above observations, he invited the

Chief Minister of Pondicherry to put forward his views on the Annual Plan (2003-04) and other related issues.

10. Thanking the Deputy Chairman, the Chief Minister of Pondicherry pointed out that the UT Administration was implementing the plan programmes effectively and the benefits therefrom were reaching the needy beneficiaries. He further mentioned that an outlay of Rs.400 crore approved for Annual Plan 2002-03 included a one time ACA of Rs.12 crore earmarked for certain specific priority schemes/programmes which was utilized satisfactorily. He highlighted in brief the achievements made in various sectors. The Chief Minister assured that the Panchayat elections would be held early next year. ??

11. Member (SPG), Planning Commission enquired about the chapter on demography in the "Vision 2020 Document" of Pondicherry. He also requested the UT Administration to send their feed back on employment situation in the UT.

12. After detailed discussions, the Annual Plan outlay for 2003-04 of the UT of Pondicherry was approved at Rs.452.77 crore.
