

EDUCATION

School Education

Education plays a vital role in the Economic, Social and Cultural Development of a country. Besides, moulding characters and values of the citizens, the overall growth of the country depends entirely on educational growth. Hence, in any development plan education is given top priority among all social activities. It has also been decided by the Government that nobody is denied education because he or she is poor, hence, various welfare schemes have been implemented to increase enrolment, ensure retention and reduce drop out etc. It is also proposed to create proper infrastructural facilities in schools and to strengthen NCC, NSS, physical development, sports and cultural development of all students.

As per the Government of India's guidelines, "the Sarva Siksha Abhiyan, Union Territory of Pondicherry Mission Authority" came into existence in 2002. The main objective of the Sarva Siksha Abhiyan is

1. All children in the age group 6-14 years in formal schools, Education Guarantee Centers, Alternative Schools or 'Back to School Camps' by 2003
2. All children complete five years of primary schooling by 2007
3. All children complete eight years of elementary schooling by 2010
4. Focus on elementary education of satisfactory quality with emphasis on education for life
5. Bridge all gender and social category gaps at primary stage by 2007 and at elementary stage by 2010
6. Universal retention by 2010

The programme envisaged during the Annual Plan 2005-06 is to start diploma course in Pre-Primary teacher training in DIET. 100 students will be enrolled under Sarva Siksha Abhiyan Scheme. It is proposed to universalize computer education at upper-primary and secondary levels, Organisation of 'students fair' for selling the articles produced by the girl and SC children under 'Vocational Skill Development' programme, Production of content based interactive CDs in regional languages, Concentration on pre-school and primary level education to avoid drop outs at all levels, Strengthening and extension of 'Counseling Services' for girls at secondary level, Devising necessary interventions to achieve 'Universalisation of Secondary Education' by 2012, Upgradation of primary schools, middle schools and high schools into next higher standard, Completion of the task of construction of classrooms in schools where thatched sheds have been removed, To ensure availability of infrastructural facilities like water supply and sanitation in all schools, Provision of benches, desks and other furniture to the required schools.

Starting of more self employment oriented vocational courses, Strengthening of teaching ability of teachers by imparting training through STC, Identification of weaker students and giving special coaching to create interest in study and ensure retention, Encouragement to the teachers by awarding mementoes and star status to those who produced cent percent result during past 5 years continuously, Starting of own website and introduction of E-Governance in Directorate of School Education to ensure transparency in administration and enable the public to have access to information on education, Starting of construction of sports complex at Karaikal, Mahe and Yanam, Provision of playground facilities in schools where site is readily available and in respect of other to identify required land for acquisition, To set up mini stadium in each commune, Increase the enrolment of volunteers under NSS by 1000, Participation in

National Jamborees, To construct auditorium/conference hall in the vacant site available in Perunthalaivar Kamarajar Centenary Educational Complex at Anna Nagar .
