

HEALTH

The Health Care System comprises of activities for health protection, promotion and rehabilitation. The health care approach has been primarily to ensure availability, accessibility and acceptability for the population quality health care by monitoring, effective supervision and coordination of health related sectors.

During the year 2006-07, it is proposed to complete construction of 700-bedded women and children hospital at Pondicherry at an estimated cost Rs.35.00 crores. It is proposed to provide a sum of Rs.4790.00 lakhs for setting up of Government Medical College as Grant-in-aid.

To improve the Health care system in the Union Territory of Pondicherry, it is proposed to set up one Cardiac Cathlab at Cardiology Department of GH, Pondicherry for carrying out the Coronary Angiogram and other Cardiac investigation. It is also proposed to start Cardiac care facility in outlying regions by providing equipments, It is also proposed to Strengthen the Urology Department at GH, Pondicherry and initiate Kidney transplantation surgery in G.H., Pondicherry. Strengthening of Plastic Re-constructive Surgery at GH., Pondicherry, Establishment of Tele-Consultation facilities between GH, Pondicherry, Karaikal, Mahe and Yanam are also planned. Measles, Mums, Rubella (MMR) vaccine will be given to all children in the age group of 1 to 2 years in the U.T. of Pondicherry, Administration of Anti-Rabies vaccine at all PHCs/CHCs and Insulin Injection to the diabetic patients are to be continued, Establishment of infertility clinic at MH, Pondicherry, Starting up of Senior Residency system at GH and MH, Pondicherry to ensure the availability of Specialist Doctors round the clock, Up gradation of GH and MH, Pondicherry as Post-Graduate Institution are also planned. The scheme "Issue of Dresses, Towels and Soaps to new born Female Babies" will be extended to all babies irrespective of gender. Critical Care Unit and modernized operation theatre will be established GH Mahe. The Drugs Control Act and Cosmetic Act will be implemented by suitably creating necessary posts. All the above facilities are proposed to be established at an estimated cost of Rs.1000.00 lakhs during 2006-07.

A separate Department of Indian Systems of Medicine and Homoeopathy was established to facilitate the development of Ayurveda, Siddha, Unani, Naturopathy & Yoga and Homoeopathy Systems of medicine. The ISM&H offers uninterrupted health care facility to the people and serving as alternative to Allopathic System with better therapeutic goals and peoples satisfaction.

The Panchakarma Special Therapy Unit Started functioning with overwhelming response from the public and to be expanded the facilities for the benefit of public at large. The 10-bedded Government Ayurveda Hospital at Chalakkara, Mahe started functioning and is to be expanded with infrastructure development and facilities. Naturopathy & Yoga unit will be started during the current financial year to provide non-pharmacological treatment to the public.

To improve the existing rural dispensaries and provide sufficient medical facilities to the rural public. Upgrading of Subsidiary Health centre into PHCs.

3. (a) Actual physical Achievement 2004-05 :

- i. Purchase of Medicines.
- ii. A new sub-centre established at Panayadikuppam
- iii. Building constructed for Sub-centre at Korkadu
- iv. Building constructed for PHC at Koodapakkam and Abishagapakkam
- v. Purchase of equipments

(b) Anticipated Physical Achievement 2005-06 :

- i. Creation of posts
- ii. Purchase of medicines
- iii. Construction building for Primary Health Centre Muthialpet
- iv. Improvement work to the Primary Health Centre Odiansalai
- v. Construction of building for the Sub-Centres at Seleiamedu, Pilliyarkuppam, Alamkuppam, Periyaveeranpattanam and Thattanchavady
- vi. Acquisition of land at Sellipet, Thangaithittu, Poriyur, Manalipet, Nonankuppam and Nallavadu
- vii. Construction building for Primary Health Centre and Thirukkanur
- viii. Improvements works to be carried out at Primary Health Centre , Sedarapet.
- ix. Purchase of Generator
- x. Purchase of vehicles
- xi. Purchase of machinery & equipments

(c) Programme envisaged for Annual Plan 2006-07 :

- i. Creation of posts
- ii. Purchase of medicines
- iii. Purchase of machinery & equipments
- iv. Purchase of computer for the PHCs.
- v. Acquisition of land and construction of building for the Sub-Centres

4. **Remarks** : Continuing Scheme

Scheme No. 2

Sector : MEDICAL & PUBLIC HEALTH

Implementing Department : HEALTH

1. **Name of the Scheme** : Improvements / Construction / Conversion of Primary Health Centre as CHC and Construction of Staff Quarters (BNP)

2. **Objective of the Scheme** :

The PMGY scheme which provide Uninterrupted medical services to the People of rural through the CHCs and also maintaining the construction of staff quarters

3. (a) **Actual physical Achievement 2004-05 :**

- i. A culvert on the approach road to Ward of the C.H.C. Thirunallar, Karaikal
- ii. Renovation of Karukkangudy Sub-centre and complete electrification
- iii. Purchase of Wheel chair, patient trolley bedside lockers

(b) **Anticipated Physical Achievement 2005-06 :**

- i. Creation of posts
- ii. Purchase of L.P.G and Washing Machine
- iii. Change of Mangalore tile to RCC roof to OPD block
- iv. Purchase of 300 mA X-ray machine
- v. Purchase of NIBP monitor
- vi. Purchase of cardioscope with defibrillator
- vii. Extension of Operation theatre

(c) **Programme envisaged for Annual Plan 2006-07 :**

- i. Creation of posts
- ii. Purchase of E.C.G. machine
- iii. Changing of tiles in the top of the Operation theatre, Wards & Casualty
- iv. Upto six feet height fixing of tiles on the wall
- v. Maintenance of Over head tank with cement plastering

4. **Remarks** : Continuing Scheme

Scheme No. 3

Sector : MEDICAL & PUBLIC HEALTH

Implementing Department : HEALTH

1. **Name of the Scheme** : Improvements to General Hospitals

2. **Objective of the Scheme** :

It is proposed to improve the services of General Hospital in pace with the 10% Annual increase of patients treated and simultaneously develop the various departments by procuring necessary equipments to keep up the pace of the recent technological developments in Medical care. It is proposed to develop other newly opened Super Specialty services and create 10 bedded Special Geriatric Ward for Geriatric Patients and also establish a Cath Lab with a Cardio Thoracic Surgeon. infrastructure facilities in Tsunami affected areas in Pondicherry and Karaikal regions. To provide latest medical services to the public. It is also proposed to construct new building for further expansion and development of G.H. Mahe by acquiring of additional land

3. (a) Actual physical Achievement 2004-05 :

- i) Creation of posts
- ii) Started Continuous Ambulatory Peritoneal Dialysis.
- iii) Computerisation of Laboratory Datas so as to transmit them to various wards.
- iv) One PCR Equipment purchased through which diagnostic facilities can be improved in the Microbiology Department.
- v) Bio-Chemistry Department have improved for the investigation facilities and to start new investigations like estimation of hormone, metabolic intermediates, etc. warranted by new diagnostic techniques and monitoring the various disease processes.
- vi) To strengthen the Cardiology Dept. by providing cardiac Cath Lab for performing various invasive cardiac procedures. Tender Committee has been finalized for the purchase of Cath Lab.
- vii) Ophthalmology Dept., purchased Fundus Camera & Lazer Photo Coagulation Unit for Angiography of retina & management of retinopathy.
- viii) Purchase Machinery & Equipments

(b) Anticipated Physical Achievement 2005-06 :

- i) Creation of posts
- ii) Utilisation of Tele Medicine facilities thro' "V-SAT".
- iii) Inclusion of Diagnostic facilities in Microbiology & Bio-Chemistry Department.
- iv) Establishing Digital Imaging Services in Radiology.
- v) Hi-Tech Plasma Sterilisation at Operation Theatre.
- vi) Retro Peritoneal Stropy for Urology Department.
- vii) Computerisation of Laboratory Datas so as to transmit them to various wards.
- viii) Purchase of Machinery & Equipments
- ix) It is proposed to purchase Medicines, Surgicals, Chemicals & other supplies worth of Rs.310.00 lakhs
- x) Purchase of vehicle
- xi) Opening of Trauma Care unit, Intensive care unit, Centralised oxygen unit and installation
- xii) Incinerator in General Hospitals
- xiii) Improvement of Ophthalmic unit

(c) Programme envisaged for Annual Plan 2006-07 :

- i) Computerisation of Laboratory Datas so as to transmit them to various wards.
- ii) Computer assisted Surgery equipment for Operation Theatre.
- iii) Digital X-Ray Unit for Radiology
- iv) Opening of Geriatric Ward-Establishment of Pulmonary Function Laboratory
- v) Introduction of Electro Physiology in Neurology Department
- vi) Improvements to Ophthalmology Dept. by acquiring Optical Coherence
- vii) Demography & Digital Retina Camera
- viii) Improvements to ENT Dept. by providing Operating ENT Microscope
- ix) Purchase of Machinery & Equipments.
- x) It is proposed to purchase Medicines, Surgicals, Chemicals & other supplies worth of Rs.315.00 lakhs
- xi) Construction of new Casualty and opening of Trauma care unit.
- xii) Purchase of vehicle.
- xiii) Purchase of furniture and hospital equipments

- xiv) Providing of C.T. Scan and improvement to Radiology departments in Mahe and Yanam
- xv) Extension of O.P. block cum office complex in G.H. Karaikal
- xvi) Construction of additional quarters at Farampeta sub-centre complex

4. Remarks : Continuing Scheme

- i) Grants-in-aid
- ii) Purchase of Medicine, Machinery & Equipments, Library books
- iii) Construction/Electrification of Residential Quarters for Faculty type V
- iv) Construction/Electrification of Faculty Quarters Type IV
- v) Construction of Type III Quarters Group C
- vi) Construction of Examination Hall
- vii) Installation of AC unit for Library Building in the Administrative Block
- viii) Computerisation and Net working through LAN

4. **Remarks** : Continuing Scheme

Scheme No. 8

Sector : MEDICAL & PUBLIC HEALTH

Implementing Department : HEALTH

1. **Name of the Scheme** : TB Control Programme

2. **Objective of the Scheme** :

To provide quality services in order to control the TB through the latest equipments

3. (a) Actual physical Achievement 2004-05 :

- i) Purchase of medicine
- ii) Purchase of Machinery & Equipments
- iii) Sputum positive cases – Target : 340
- iv) Sputum positive cases – Achievement : 1041
- v) Sputum examined – Target : 3395
- vi) Sputum examined – Achievement : 14346

(b) Anticipated Physical Achievement 2005-06 :

- i) Creation of posts
- ii) Purchase of medicine
- iii) Purchase of Machinery & Equipments
- iv) Sputum positive cases – Target : 485
- v) Sputum positive cases – Anticipated Achievement : 986
- vi) Sputum examined – Target : 6180
- vii) Sputum examined – Anticipated Achievement : 7782

(c) Programme envisaged for Annual Plan 2005-06 :

- i) Purchase of medicine and Machinery & equipments
- ii) Creation of functional and ministerial posts.
- iii) 70% cases detection of new sputum positive cases 81% cure rate

4. Remarks : Continuing Scheme

Scheme No. 9

Sector : MEDICAL & PUBLIC HEALTH Implementing Department : HEALTH

1. Name of the Scheme : Training of Women Nurses

2. Objective of the Scheme :

More trained Nurses will be made under the scheme. Besides adequate number in the Nursing Personnel in the public and private sectors.

3. (a) Actual physical Achievement 2004-05 :

37 trainee have been benefited in the Nurses training school and the course discontinued from July 2004.

Scheme has been dropped out

(c) Programme envisaged for Annual Plan 2006-07 :

Scheme has been dropped out

4. Remarks : Scheme has been Dropped out

Scheme No. 10

Sector : MEDICAL & PUBLIC HEALTH

Implementing Department : HEALTH

1. **Name of the Scheme** : Leprosy Control Programme

2. **Objective of the Scheme** :

To provide in-patients care for old cured Leprosy Patients with complications due to deformities and interrupt the chain of transmission of STD/HIV and AIDS. To prevent the development of disease complications and sequelae and to reduce the risk of HIV transmission.

3. (a) Actual physical Achievement 2004-05 :

- i) Creation of posts
- ii) Purchase of Machinery & equipments and medicine

(b) Anticipated Physical Achievement 2005-06 :

- i) Creation of posts
- ii) Purchase of Machinery & equipments and medicine

(c) Programme envisaged for Annual Plan 2006-07 :

- i) Creation of posts
- ii) Purchase of Machinery & equipments and medicine
- iii) Purchase of vehicle

4. **Remarks** : Continuing Scheme

Scheme No. 11

Sector : MEDICAL & PUBLIC HEALTH

Implementing Department : HEALTH

1. **Name of the Scheme** : Improvements to Filaria Control and Malaria Eradication Programme

2. **Objective of the Scheme** :

To Eliminate Filariasis by reducing the Mf load in the Community through detection cum treatment of Mf carriers and reduction of Man-Vector contact through anti larval measures & Physical measures. To prevent death due to Malaria to maintain the Green & Industrial revolution and to consolidate the gains achieved so far.

This two programmes of the Health are implemented to control vector borne diseases by identifying the breeding points of mosquitoes responsible for transmission of this diseases.

3. (a) Actual physical Achievement 2004-05 :

- i) Blood smear collection : 1,04,900 in Filaria
- ii) Blood smear collection : 2,53,615 in Malaria
- iii) Mf Rate % : 0.15
- iv) Disease Rate % : 0.05
- v) DDT Spray coverage : 19,491
- vi) No. of cases : 43

(b) Anticipated Physical Achievement 2005-06 :

- i) To increase in the night blood smear collection of decrease in the MF rate and disease rate.
- ii) To increase blood smear collection and DDT Spray coverage and decrease malaria cases

(c) Programme envisaged for Annual Plan 2006-07 :

- i) Anti Larval activities
- ii) Detection cum treatment of night blood survey
- iii) Surveillance Activities for early diagnosis of case & prompt treatment & Anti Larval & Anti Adult activities
- iv) Creation of posts
