

LAND REFORMS

All Unix based settlement database has been migrated to Windows based settlement database. Online issue of patta copies have been taken up in 95 villages of Villianur, Bahour, Karaikal, Thirunallar Taluks and in Ariankuppam firka of Pondicherry Taluk. Survey training was imparted to 25 revenue officials. In addition to username and password, 11 Nos. of Finger Print bio-metric system has been procured and installed in all taluks for accessing settlement database, for security purpose. Work flow automation software for public petition for Patta transfer is being developed by NIC and after standardization of the software, the same will be implemented in all taluks in a phased manner. 7 nos. of Information Kiosks were installed in Sub-Registry offices of Pondicherry and Karaikal regions.

Data entry and validation of the town survey settlement registers are completed and validation is in progress. Finalization of vendor and software for Digitization of FMB is progress. After finalization the remaining villages will be taken up for digitization of FMB. In Karaikal and Thirunallar taluks, issue of patta copies are done across the counter to public.
