

## ROAD TRANSPORT

Government Automobile Workshop, Pondicherry is a Centralized Service Depot, set up in the Union Territory of Pondicherry to look after the upkeep and maintenance of all departmental vehicles. Repairs, both major and minor are being carried out in the Workshop. Besides POL products like fuel, lubricants etc. belonging supplied to all vehicles, agriculture machineries, equipments etc., belonging to Government and quasi Government agencies. A similar mini-workshop, fuelling station and a service station are also functioning in the outlying Karaikal region to cater to repairs, maintenance & services of Government vehicles. A Motor Vehicle Driving Training Institute which is functioning in Pondicherry and training unemployed youths is imparting in driving Light Motor Vehicles and Heavy motor Vehicles. One Emission Under Control Test Station each at Government Automobile Workshop, Pondicherry & Government Automobile Workshop Karaikal are being set up to cater to the needs of the Government Vehicles as well that of the public.

Transport Department renders services like Issuing Driving Licences, Registration of Vehicles, Issuing of Permits to Transport Vehicles. Transport Department also takes necessary steps to control and regulate Road traffic and to suspend / cancel the registration or permit of a motor vehicle, if it poses threat to public safety.

Transport department is a public oriented and provides services in timely manner to the public. All the remaining activities have to be computerized in all the four regions in order to provide transparent and quick services to the public.

In order to provide healthy and clean environment in Puducherry, it is proposed to conduct regular pollution test and introduce to the vehicles with latest technique, which will be environmentally friendly.

It is proposed to intensify the enforcement activities of the Department with a view to properly and effectively implement the provisions of the motor vehicles Act and Rules and to increase the revenue collection by conducting specials drives.

It is also proposed to take necessary action for the direct train facility from Puducherry to Bangalore and express train facility like Sadapti express between Puducherry and Chennai.

Setting up of check post has been proposed in order to increase the revenue collection and to issue Temporary permits at the Borders of the UT of Puducherry and Karaikal regions of the Union Territory of Puducherry.

Conduct of seminars and a Road safety week and setting up Road Safety Council are ways by which awareness on road safety is to be promoted in the minds of the public.

For meeting the traffic needs of the cities and towns under Public Private Partnership Project a scheme viz. Mass Rapid Transport System (MRTS) has been included in the Eleventh Five Year Plan.

It is also proposed to introduce a new scheme laying of Karaikal – Nagore Broad Gauge Railway line in the Eleventh Five year plan which will also promote pilgrimage tourism in Karaikal and will cater to the industrial potential of the Karaikal region.

Railway Board will be approached for laying a new railway line between Tindivanam and Cuddalore via Pondicherry and to speed up laying of Karaikal – Nagore Broad Gauge Railway line. It will promote pilgrimage tourism both in Puducherry and Karaikal and Industrial development.
