

EDUCATION

SCHOOL EDUCATION

As Education is the basic pre-requisite to build a just, equitable and civil society and it is a basic tool for the development of the individual, the society and the nation, the vision of the Union Territory of Puducherry is to offer quality education aiming at all round development of children at all levels in general and to provide in particular 100% access, enrolment and retention of children in schools.

Sarva Siksha Abhiyan, the Universalisation of Elementary Education in a mission mode, was launched in the Union Territory of Puducherry in 2002. The Scheme aims at providing Quality elementary Education for all children in the age group 6-14 by 2010 and to bridge the social, regional and gender gaps.

Initially to achieve the aim of making the community the owners of Education system, a Village Education Committee in each school has been formed involving members of the community. The physical environments of the school are improved by constructing additional classrooms needed and enhancing the toilets and drinking water facilities.

Sarva Siksha Abhiyan also introduced a novel approach of providing computer-aided education in all schools. In addition, girls were provided with training in vocation/skill development and counselling. A special attention is given to SC and ST students by organizing evening classes and night school studies. The out of school children draws the much attention of the department and alternative schools have been started to bring never enrolled, drop out children into the main stream of education.

Improvement activities carried out under Sarva Siksha Abhiyan includes enrollment of 289 out of school children in alternative schools, 4391 teachers were given training, Computers have been provided to all High Schools @ 5 computers in each High School under Computer Education Programme, Special Coaching Classes have been arranged for weaker students, etc. Hence, the foremost task of this administration for the Eleventh Five Year Plan period (2007-12) is to maintain the tempo and keep the drop out rate at zero. The next goal of this Administration will be Universalisation of Secondary Education by 2012 as announced by Hon'ble Chief Minister in the Budget speech during July 2006 Assembly Session.

It is the prime task of this Administration to achieve 100% Literacy within a stipulated time period as advised by His Excellency The President of India. To achieve 100% literacy in this U.T, "Kamaraj Literacy Mission" has been formed.

Accordingly, the task before the Government will be to strengthen the existing system and find out various new sources and technology to improve the quality of education, retention of students and ultimately achieve cent per cent literacy rate.

In order to enable, all students to enjoy the benefit of Govt. Welfare schemes like free supply of text books, note books, chappals, uniforms, stationery items etc., irrespective of financial limitations, it is announced in the Budget speech by Hon'ble Chief Minister to remove income ceiling.

In order to have uniform curriculum /syllabi for all the regions of Union Territory of Puducherry the Board of Secondary and Higher Secondary has been constituted. This will enrich the quality of education and the students of Union Territory of Puducherry will be in a position to compete with other students at all India level in the entrance and other

competitive examination. Information Technology will be introduced as a separate subject in the curriculum of High Schools. For this, computer labs with the latest technology will be set up in all Government High Schools. In order to reduce the book burden, e learning will be introduced and lessons will be taught through CD. Virtual classroom project will be started with the aim that the ability and experience of teachers are utilized by the students. A perspective plan to identify the requirement of building, furniture and teachers for all schools for the next five years will be evolved and implemented.

To improve quality of education all teachers will be given intensive training both in subject content and its transaction in the classroom. They will also be given yearly grants for preparing Teaching-learning materials. The “monitoring and evaluation” system will also be strengthened to provide a good quality education. In this regard the existing State Training Centre will be converted as “State Council for Education, Research and Training”.

The “District Institute of Education and Training (DIET)” will be brought under state plan with 50% state share to give more training to Teachers.

To develop sports, games and Youth activities each commune will be provided with a Mini stadium with facilities like volley ball, basketball, kho-kho etc. The minimum of one hectare is proposed to be acquired.

It is proposed to construct Kabaddi indoor stadium and Gymnastic stadium at Indira Gandhi Sports Complex. A separate Directorate of Sports and Youth Affairs will be formed.

It is proposed to give scholarship to the tune of Rs.250 per annum for the students studying from 6th to 12th standard in Government schools.

Reimbursement of Tuition fee to the tsunami affected students studying in private schools will be given.

HIGHER AND TECHNICAL EDUCATION

Education plays a vital role in the Economic, Social and Cultural Development of a country.

The XI Plan Policy statement on Higher Education prioritized and laid emphasis on setting up new colleges and Universities for the Students in educationally backward districts, Expansion of capacity in institution and Improvement of quality to exploit competitive advantage globally.

The remedial measures indicated in the XI Plan policy statement are standardization of syllabi, facilities, attract top class faculty, development of infrastructure and pay attention to creation of high level of electronically available content and testing mechanisms.

7. Remarks : Continuing Scheme

Scheme No. 27

Sector : EDUCATION

Implementing Department : SCHOOL EDUCATION

1. Name of the Scheme : Provision of infrastructure facilities like Benches/ desks, toilet and water supply facilities to all Govt. Schools.

2. Objective of the Scheme :

Even though literacy rate is high and dropout rate to the minimum still in many schools basic facilities like benches and desks, toilet and water supply, play ground, etc., are not to the required level due to upgradation/opening of new sections/classes etc., As a result the students are at times forced to sit on the floor. The situation is worst especially during rainy season. Healthy body is Healthy mind, but the students have no play ground facilities in many schools to develop their talent in sports. Hence, it is a sine qua non to provide required furniture, toilet and water supply facilities separately for boys and girls and required site or set up play ground etc., to create congenial atmosphere for study.
