

## LABOUR AND LABOUR WELFARE

The schemes under this sector are mainly to provide social security to the workers in the organized and unorganized sectors. Capacity building of the youth of Puducherry by imparting new skills through ITI to through it is to make them employable will be main thrust area of the 11<sup>th</sup> Plan. Skill up gradation and Certification programmes will also be conducted through the ITIs.

Nearly 1164 trainees are being trained in Engineering and Non-Engineering trades by 7 Government ITIs. A Centre of Excellence for Plastic Processing Sector has been set up in the Government ITI for Men, Mettupalayam, Puducherry. About 54 trainees are undergoing training in the Plastic Processing Sector, Centre of Excellence.

It is proposed to start new ITI at Villianur and Bahour from this year onwards. For this purpose preliminary arrangements are being made to locate buildings and establish other connected infrastructure. In the subsequent years, 7 new ITIs are proposed to be opened so that at the end of the 11<sup>th</sup> Plan, all Municipalities / Communes of Puducherry will have at least one ITI.

New Trade of Fitter as additional unit in the Government ITI, Nettapakkam, additional Wireman Unit and Tools and Die Making Trade ITI, Karaikal, and Fashion Technology, at ITI, Yanam are proposed. Provision has been made to introduce fast track course in the field of computer, Domestic, Electronic and Home appliances in the Government ITI for Men, Mettupalayam, Puducherry.

To impart effective and need based training to the physically handicapped candidates by setting up of a vocational Training Centre, 10 physically challenged persons (September 2005 to August 2006) have been trained in Book binding and Data Entry Operation. Noon meals to the students of Government ITIs are in the offing.

Under the Apprenticeship Training Scheme, candidates are sponsored to various Industries with a view to promote employment. 1,040 Training places have been located, 960 apprentices are engaged in various industries. About 180 establishments and 20 Trades are covered under the Apprenticeship Act.

Under the aegis of Franco Indian Vocational Institute it is proposed to impart training to the youth to enable them to find employment both in Public and Private sectors as well as in India and abroad especially in the field of Bio-Medical Engineering.

In order to protect the interest of working class, a separate Conciliation wing is functioning to deal with the conciliation of the Labour disputes and enforcement of labour laws. The main objective of the scheme is to implement effectively, the provisions of the Industrial Dispute Act, 1947 and ensure harmonious relationship between the labourers and managements. So far 125 (from January 2006 to November 2006) conciliation cases have been handled.

There is a separate wing, viz Chief Inspectorate of Factories and Boilers, which ensures the compliance of safety provisions of Factories Act, 1948, and Indian Boilers Act. There are 1900 factories registered under the Factories Act, 1948. About 1,594 workers have been medically examined, 146 vessels tested. 1094 workers have been given safety training and 994 industries have been inspected.

In the Union Territory of Puducherry, Minimum wages have been fixed for the agricultural labourers, handloom workers and workers engaged in building construction and public motor transport organizations.

The Enforcement Machinery is in-charge of the implementation of various acts, such as shops and Establishment Act, The Catering Establishment Act, Motor Transport Workers Act, etc. About 83 village segments are inspected and 3035 (From April 2006 to October 2006) shops and establishments are inspected.

There are no bonded labourers so far identified. State Level Vigilance Committee and Regional Vigilance Committee for all the four regions have been constituted under the Bonded Labour (System) Abolition Act, 1976. Training Programme for labourers in Puducherry and Karaikal in co-ordination with the Regional Directorate of Workers, Chennai was conducted. Under the Workmen compensation Act, 1923, 68 cases during 2006 were disposed benefiting the accident victims and their dependants.

As per the directions of the Supreme Court on elimination of Child Labour, the Child Labour Rehabilitation-cum-Welfare Society has been established in the Union Territory of Administration and a separate cell has been created in the Labour department to combat the prevalence of Child Labour in hazardous Industries and regulate their working conditions in non-hazardous occupations. Recent notification of Government of India banning child Labour in domestic employment, hotels, dabhas, etc., is being enforced rigorously.

Rural Labour Welfare centers are functioning under the aegis of the Labour department. To teach / train the women folks of the Labourer's family in crafts like cutting, tailoring and other Handicrafts to supplement their income. Free Noon meal is provided to the children of 3 - 5 age group and eradication of child labour and rehabilitation of children. There is no incidence of child Labour in the hazardous chemical factories and in the dangerous operation of any factor.

The National Employment Service Scheme is being implemented by the Employment Exchange and the Special Employment Exchange for the physically challenged persons. In the subsequent years, it is proposed to commence a Man Power Export Cell, to have a centralized source of Technical and Professional Manpower, so as to explore the scope and promote for their opportunities of employment in foreign countries. Similarly a Centre for Women Entrepreneurship and Empowerment is proposed to create awareness and alertness about the employment potentials for women.

It is proposed to introduce a new scheme for providing unemployment allowance to educated unemployed youths. It is proposed to give unemployment allowance at the rate of Rs.1,000/- per month to unemployed graduates /youths and Rs.500/- per month to the other unemployed youths for a period of four years and it will be provided to all eligible youths. A Committee has been constituted to workout the modalities for giving financial assistance to the educated unemployed youth.

In order to extend financial assistance to the Labourers in the unorganized sectors, grant in aid / financial assistance is being provided to the Puducherry Unorganized Labourer's Welfare Society and for the Puducherry Building Construction Workers Welfare Board.
