

## **STATISTICS**

It is proposed to revamp the statistical system in the Union Territory of Puducherry on the lines of the recommendations of the National Statistical Commission and also on the pattern of Central Statistical Organization on the following lines in strengthening:

- State Income unit for quarterly monitoring of Economy in Puducherry
- Industrial Statistics Unit for quarterly compilation of index of industrial production.

HDR reports will be prepared distinctive for which data right from the Commune Panchayat level is essential. This Directorate proposes to use GIS supported RDBMS for natural resource data base. All IT tools will be modernized for maintenance of database. Hence, it is proposed to modernize latest IT tools for maintenance of data base and for achieving good governance. It is also proposed to modernize the Directorate under the World Bank Assistance through CSO, Ministry of Statistical and Programme Implementation under the ISSP scheme.
