

EDUCATION

(A) SCHOOL EDUCATION

(i) Elementary Education & Literacy

Education plays a vital role in the economic, social and cultural development of a country. Besides moulding character and values of the citizen, the overall growth of the country depends on educational growth. Education is the basic prerequisite to build a just, equitable society and a tool for the development of the individual and the nation. The vision of the Administration is to offer quality education aiming at all round development from Primary to Higher Secondary level. In so far as the Union territory of Puducherry is concerned education has been placed at a higher pedestal.

Status on the Literacy position in the UT of Puducherry

As per 2001 census, the literacy rate of Union Territory of Puducherry is 81.23% as against the National average of 65.38%. This Union Territory has been placed under category-IV having literacy rate of 75% and above and is in the 7th place in the ranking of literacy rate among all State/Union Territories. The task before this Union Territory is to achieve 100% literacy rate by 2012. In order to ensure universal access to primary education, The Pondicherry Compulsory Education Act 2000 was published on 24.10.2001. The following table shows region wise literacy rate.

District	Male	Female	Total
Pondicherry	88.43	72.83	80.65
Karaikal	89.39	74.68	81.93
Mahe	97.64	93.98	95.66
Yanam	78.82	68.49	73.71
Union Territory as a whole	88.61	73.89	81.23

There are totally 301 Primary schools and 121 Middle schools (both Govt./Govt. aided and private schools). The enrolment in Primary classes has increased from 111174 in 2007-08 to 1,11,688 in 2008-09 and the enrolment in upper primary classes has increased from 69423 in 2007-08 to 70886 in 2008-09. As per National norms 1 Primary school for 1 km radius should be available. All

the 437 habitations in the Union Territory are provided with access to Primary schools within 1 km distance. The dropout in Primary is Nil as per National survey. In Education development Index this U.T ranks second (2006-07) in Primary and Upper Primary schooling. The teacher pupil ratio is 1:25 (National norms 1:32)

In order to achieve total literacy and to cover 1,00,000 neo-literates in the age group 14-45 in which women constitute major chunk, a new programme called Kamarajar Literacy Mission will be initiated in accordance with the observations made by His Excellency the President of India during the visit to Puducherry on 01.11.2004.

(ii) Secondary Education

There are 168 High Schools and 98 Higher Secondary Schools (both Govt / Govt – aided and private schools). In this Union Territory every student passing 10th Std is assured of a seat in the Hr. Sec. Classes. Every Higher Secondary school is provided with a lab of 20 computers and an LCD projector. To ensure retention and reduce dropout in secondary and Higher Secondary level, free supply of uniform, text books, note books, footwear, free Mid-day meals and Breakfast have been extended upto XII standard in Govt / Govt – aided schools. The District Institute of Education & Training and the State Training centre take care of in-service training to Teachers. The total student strength in secondary and Higher secondary class is 67048. The salient feature is that the strength of girl students is 34095 as against the boys strength of 32953.

(iii) Vocational Education

The objectives of vocational education are as follows:-

- i) Development of vocational programme at all levels
- ii) Laying guidelines for vocational education
- iii) Development of Bridger / Transfer of Courses / Entrepreneurship counseling
- iv) To reduce the mismatch between demand and supply of skilled man power to provide diversification of educational opportunities
- v) To provide an alternative for those pursuing Higher Education.

- vi) In 22 vocational school, 45 courses are imparted covering three regions viz., Puducherry, Karaikal and Yanam.

Directorate of School Education has been adopting a number of initiatives to realize the above objectives.

(iv) Sarva Shiksha Abhiyan

Sarva Shiksha Abhiyan, the Universalisation of Elementary Education in a mission mode, was launched in Puducherry in 2003. The scheme aims to provide quality elementary education for all children in the age group 6-14 by 2010 and to bridge the social, regional and gender gaps.

To initiate the community as the owners of Education system, a Village Education Committees in each school is formed involving members of the community.

The Village Education Committee (VEC) is entrusted with the responsibility to monitor and to spend the amount given by Sarva Shiksha Abhiyan to the schools by adhering to the usual procedure and norms.

The capacities of the teachers are updated by organizing series of training courses to the teachers, most of the teachers are trained around 5 to 7 days per year against the norm of 20 days. The 86th Constitution Amendment Act 2002 makes Education a fundamental right for all children in the age group of 6-14 years. To ensure the fundamental right, mainstreaming of out of school children and children with special needs is the main target of Sarva Shiksha Abhiyan which is achieved by adopting three strategies, enrolment drive, universalising physical access and strategies for other out of school children in Puducherry. The steps adopted for enrolling the out of school children are by opening alternative and innovative schools. One such school, which is successful, is the school opened at Narikuravur habitations which has enrolled 52 children, who would otherwise be out of school children. A residential bridge camp started at Yanam enrolling 106 students is also another intervention for tackling the problems of seasonal migrants.

Inclusive Education is a developmental approach seeking to address the learning needs of all children. It is a dynamic process to enable, enhance and strengthen the education systems and methodologies to meet the needs of children with disabilities. Through various activities like identification, assessing, providing assistive device, mobilizing resource material, providing home based learning and financing for corrective surgeries this U.T Administration attempt to acknowledge that “Given an opportunity All children can Learn”.

Realizing the importance and impact of Pre Primary Education on Primary Education, the Government of Puducherry started Pre Primary classes in all Government Primary Schools. Puducherry is unique in having Pre Primary classes in all Government Primary Schools where specially trained Pre- Primary teachers are engaged under SSA for handling KG classes. To promote the girls’ enrolment in Puducherry, SSA has implemented vocational skill development programme in schools to empower girl children. Besides, a counseling programme for adolescent girls have been running successfully to overcome their stress and strain encountered in their adolescent period by engaging trained women teachers as counseling assistants.

Quality Initiatives :

- i. The Activity Based Learning is introduced in all Tamil Medium Schools
- ii. The Active Learning Methodology has been introduced in all Upper Primary classes for the subject Science and Social Studies.
- iii. An innovative model of Computer Aided Learning is being evolved and introduced in 40 schools as a first step. If this model is successful, it will be introduced in all other schools. This model is being implemented along with the convergence of Azim Premji Foundation
- iv. An innovative model of teaching maths through Computer Aided Learning has been introduced in all Upper Primary Sections.

(v) Sports and Youth Services

The main objective of this sports wing is to develop the physical health of the students by way of conducting Annual Sports day, distribution of prizes medals, cash awards, certificates etc. For the development of sports the infrastructure available includes Indira Gandhi Stadium Complex at Uppalam with facilities like

Astro - turf Hockey field, Tennis play Court, Cricket training pitch, Volley ball court, Hand ball court, Kho-Kho & Kabaddi courts and Rajiv Gandhi Indoor Stadium. The important activities are organisation of Zonal level school games (8 Zones), Coaching camps prior to state school games, 15 days specialized training prior to participation in State School Games, State School Games Championship Programme, Participation in National School Games Championship, State level Children's rally, Independence Day / Republic Day parade arrangements and cultural programme, Coaching programme for selected students to participate in National Competitions.

a) Pondicherry State Sports Council

An autonomous body for the development of sports activities among the youth. The State Sports Associations are recognized by the Pondicherry State Sports Council. The Sports council is funded by the Govt. by way of Grant-in-aid every year to carry out its functions. 23 number of Association have been recognized. Funding for National and Zonal Championship participation and cash award to winners of international and National level sports events.

b) Rajiv Gandhi School of Sports

An autonomous institution fully funded by Government. 100 young students (6th to 12th) having special sports skill are selected and accommodated in the Rajiv Gandhi School of Sports and continue to get the special coaching in the games like Football, Hockey, Volleyball, Athletic and Badminton. The students pursue their studies in the urban area schools. Nutrition food at Rs.80/- per day per student is spent. This School prepares the students for participation in National competitions. 15 acres of land has been allotted in Kalapet revenue village for the construction of building for Rajiv Gandhi School of Sports.

STRATEGY PROPOSED AND POLICY FOCUSED DURING 2010-11

- To improve quality and standard of Education and further improvement in literacy rate, strengthening of computer education, provision of required infrastructure like additional classrooms, toilet, drinking water supply, benches / desks etc., to create congenial atmosphere will be the

main strategy. Land will be acquired for construction of pucca building for schools running in rented building.

- To meet the urgent requirement of infrastructure facilities, loan assistance will be availed under RIDF from NABARD.
- Under Rashtriya Madhamik Shiksha Abhiyan it is proposed to cover 70 High School and 48 Higher Secondary schools by releasing grants for construction of additional classrooms, laboratory and library room. The pattern of assistance will be 75:25 by Central and State Governments respectively.

- Payment of enhanced compensation to land owners as per the orders of High Court Chennai subject to appeal by Government.

(B) HIGHER AND TECHNICAL EDUCATION

Education is the critical factor that will empower the poor to participate in the growth process. To ensure a continuous and growing supply of quality manpower, we need large investments in public sector institution of higher learning combined with fundamental reforms of curriculum.

There is clearly a need to undertake major expansions and improve quality. For this, new colleges and Universities must be set up to provide easier access to students in educationally backward districts. Existing institutions must be strengthened and expanded, along with open and distance education modes. Hence, it is planned to setup the Puducherry State University, which would provide extended higher educational facilities especially to the students from middle and lower income groups and backward and underprivileged sections of people. To increase employability and jobs seeking capacity, a Community College with job oriented courses will be set up in Karaikal. Expanded programmes of higher and research education will be planned in different regions to reduce regional imbalances and to reduce backwardness.

The skills and competence of the students will be focused so that they could become employable anywhere in India. Entrepreneurial Development courses, Add on Courses, and new Vocational Courses are planned. Private and Public Sector participation would be encouraged in setting up premier institutions of Information Technology and Management. Action is being taken to set up Task Force Committee to start National Level Institutions like IIM, IIIT. Efforts is being taken to provide for infrastructural facilities in the form of latest books, use of more computer, internet and EDUSAT services and creation of resource centers for various disciplines / departments. In order to augment these facilities, electronically content and testing mechanism would also be utilised by developing suitable materials.

ACHIEVEMENTS DURING 2008-09 :

- M.Phil (Corporate Secretaryship) has been started in Bharathidasan Govt. College for Women, Puducherry.
- Canada - India Institutional Co-operation Project was started in Women 's Polytechnic, Puducherry
