

## **EDUCATION**

### **SCHOOL EDUCATION**

#### **Status on the Literacy position in the UT of Puducherry**

As per 2011 census, the literacy rate of Union Territory of Puducherry is 86.55%, of which male literacy is 92.12% and female literacy rate is 81.22%. The task before the Union Territory is to achieve 100% literacy rate during the 12<sup>th</sup> Five Year Plan(2012-17). In order to achieve total literacy and to cover 1,00,000 neo-literates in the age group 14-45 in which women constitute major chunk, a new programme called Kamarajar Literacy Mission will be initiated during 2012-13.

Education plays a vital role in the economic, social and cultural development of a country. Besides moulding character and values of the citizen, the overall growth of the country depends on educational growth. Education is the basic prerequisite to build a just, equitable society and tool for the development of the individual and the nation. The vision is to offer quality education aiming an all round development from Primary to Higher Secondary level. In so far as the Union territory of Puducherry is concerned education has been placed at a higher pedestal.

#### **Elementary Education**

There are 300 Primary schools and 108 Middle schools (both Govt. / Govt. aided and private schools are functioning. As per National norms 1 Primary school for 1 km radius should be available. All the 437 habitations in the Union Territory are provided with access to Primary schools within 1 km distance. The dropout in Primary is Nil as per National Survey. In Education development Index this U.T ranks second (2006-07) in Primary and Upper Primary schooling. The teacher pupil ratio is 1:25 (National norms 1:32).

#### **Secondary Education**

There are 180 High Schools and 112 Higher Secondary Schools (both Govt. / Govt.-aided and private schools). In this Union Territory every student passing 10th Std is assured of a seat in the Hr. Sec. Classes. Every Higher Secondary school is provided with a lab of 20 computers and an LCD projector. To ensure retention and reduce dropout in secondary and Higher Secondary level, free supply of uniform, text books, note books, footwear, free Mid-

day meals and breakfast have been extended upto XII standard in Govt. / Govt – aided schools. The total student strength in secondary and Higher secondary class is 71233 which includes 36426 girl students. The District Institute of Education & Training (DIET) and the State Training Centre (STC) take care of in-service training to teachers. Cash award of ₹1 lakh are presented to Govt. Schools which achieve 100% result in urban areas and 90% result in rural areas and Mementoes are presented to the teachers who achieve 100% result in their subjects in the Public Examination results, in order to improve the quality of school education. Cash awards will be presented to the National Talent Search Examination Toppers each ₹5000/- who are selected in the NTS examination conducted by Directorate of School Education.

### **Various welfare measures provided for the benefit of School Children**

The weaker sections of the society still find it difficult to send their children as they are unable to cope up with the resulting burden of expenditure. In order to attract students to the schools and to encourage them to continue their studies without dropouts, text books, uniforms, foot wears, stationeries are freely supplied to the school children. In addition, this administration has also launched the students ‘Bus Pass Scheme’ to reduce burden of the transport difficulties of the school going children. It is proposed for free supply of school bags for school children from 1<sup>st</sup> to 8<sup>th</sup> Standard from the academic year 2012-13.

### **Right to Education**

To implement the provisions of the Right to Children to Free and Compulsory Education Act, 2009, the Puducherry Right of Children to Free and Compulsory Education Rules, 2011 has been notified vide G.O. Ms.No. 101 dt.24<sup>th</sup> October 2011.

### **Sarva Shiksha Abhiyan**

Sarva Shiksha Abhiyan, the Universalisation of Elementary Education in a mission mode, was launched in Puducherry in 2003. The scheme aims to provide quality elementary education for all children in the age group 6-14 and to bridge the social, regional and gender gaps.

To initiate the community as the owners of Education system, a Village Education Committee for each school is formed involving members of the community.

The Village Education Committee (VEC) is entrusted with the responsibility to monitor and to spend the amount given by Sarva Shiksha Abhiyan to the schools by adhering to the usual procedure and norms.

The capacities of the teachers are updated by organizing series of training courses to the teachers, most of the teachers are trained around 5 to 7 days per year against the norm of 20 days. The 86th Constitution Amendment Act 2002 makes Education a fundamental right for all children in the age group of 6-14 years. To ensure the fundamental right, mainstreaming of out of school children and children with special needs is the main target of Sarva Shiksha Abhiyan which is achieved by adopting three strategies, enrolment drive, universalizing physical access and strategies for other out of school children in Puducherry. The steps adopted for enrolling the out of school children are by opening alternative and innovative schools. One such school, which is successful, is the school opened at Narikuravur habitations which has enrolled 53 children, who would otherwise be out of school children. A residential bridge camp started at Yanam enrolling 106 students is also another intervention for tackling the problems of seasonal migrants.

Inclusive education is a developmental approach seeking to address the learning needs of all children. It is a dynamic process to enable, enhance and strengthen the education systems and methodologies to meet the needs of children with disabilities. Through various activities like identification, assessing, providing assistive device, mobilizing resource material, providing home based learning and financing for corrective surgeries this U.T Administration attempt to acknowledge that “Given an opportunity All children can Learn”.

Realizing the importance and impact of Pre Primary Education on Primary Education, the Government of Puducherry started Pre Primary classes in all Government Primary Schools. Puducherry is unique in having Pre Primary classes in all Government Primary Schools where specially trained Pre – Primary teachers are engaged under SSA for handling KG classes. To promote the girls’ enrolment in Puducherry, SSA has implemented vocational skill development programme in schools to empower girl children. Besides, a counseling programme for adolescent girls have been running successfully to overcome their stress and strain encountered in their adolescent period by engaging trained women teachers as counseling assistants.

### **Quality Initiatives:**

- i. The Activity Based Learning is introduced in all Tamil Medium Schools
- ii. The Active Learning Methodology has been introduced in all Upper Primary classes for the subject Science and Social Studies.
- iii. An innovative model of Computer Aided Learning is being evolved and introduced in 40 schools as a first step. If this model is successful, it will be introduced in all other schools. This model is being implemented along with the convergence of Azim Premji Foundation

Tuition fees have been waived in the Govt. Professional Colleges. Similarly scholarships have been awarded to the students studying Arts, Science and Technical courses based on the merit list.

## **PRESENT SCENARIO IN BUDGET**

Puducherry's Higher Education system has been a huge pillar of strength to the Puducherry Economy. It has provided a highly educated local work force and also has been a major centre of learning for people from outside the Union Territory. Hence more investments are made in this Sector during the years. After the implementation of the 6<sup>th</sup> Central Pay Commissions' recommendations, there has been huge increase in the financial commitment towards payment of salaries. Hence the funds allotted under this sector have been mostly spent for payment of salaries.

## **VISION AND MISSION**

The desire of the local inhabitants of Puducherry who equate knowledge with wealth is making Puducherry a knowledge hub. The tireless effort of the people of Puducherry to transform this tiny Union Territory into a knowledge society is bearing fruit already. Puducherry is proving that it is not the size of the state that determines the no. of academic institutions but the desire of the people ably supported by the efforts of the Govt. which matters in providing quality education.

The setting up of Govt. Medical College in Puducherry and National Institute of Technology in Karaikal are the unforgettable milestones in this tireless mission. Our vision is to make this journey forward by providing 100% access, enrollment in Higher Education and to give ample opportunities to the students for their better career. Our mission is to empower the youth to choose and lead a life appropriate to his talents by ensuring facilities for Higher Education to all those who pass their School Education.

- Education is the critical factor that will empower the poor to participate in the growth process. To ensure a continuous and growing supply of quality of man power, we need large investments in public sector Institutions of higher learning combined with fundamental reforms of curriculum.
- With the starting of National Institute of Technology at Karaikal and with the prospects of establishing Puducherry State University along with 2 Engineering Colleges, 11 Arts and Science Colleges, 6 Polytechnic Colleges, 1 Community College, 1 B.Ed. College under the purview of this Directorate and more than 100 higher learning Institutions both Govt. and Private have set up the right tone for Puducherry to play as knowledge hub among the southern states and will play a major role in the Higher sector during the 12th Plan period. Hence the central theme will be as follows: “Strengthening of existing and Development of higher learning institutions in the U.T. of Puducherry”.
- Establishment of Puducherry State University during the 12th Five Year Plan, revamping the existing courses in the Arts and Science Colleges and Setting up a Centralised Placement cell for the Arts and Science courses could improve the quality of education and thereby enhancing the job opportunities to the students.
- By gradually increasing the quality of education in all institutions, they would be encouraged to seek higher NAAC (National Accreditation and Assessment Council) status and also to get permanent affiliation from the University. Institutions will be encouraged to get more central assistance through Centrally Sponsored Schemes, UGC, AICTE etc.
- Higher Education reminds a source of huge potential and promise for future. Hence our mission during the 12th Five Year Plan is to empower the youth to choose and lead a life appropriate to their talents by ensuring facilities for Higher Education.
