

## **ROAD TRANSPORT**

### **GOVERNMENT AUTOMOBILE WORKSHOP**

Repairs of both major and minor are being carried out in the workshop. Besides, POL products like fuel, lubricants, etc. are supplied to all vehicles, agriculture machineries equipments etc. belonging to Government and Quasi Government agencies. A similar mini workshop fuelling station and a service station are also functioning in the outlying region at Karaikal to cater to repairs maintenances and services of Government vehicles. Practical in-plant and training under the Apprentices Act is given to unemployed I.T.I. holders, Diploma Holders and Graduate Engineers, both in the field of Engineering and commercial practices to abreast their knowledge and skill in the respective fields. A Motor Vehicle Driving Training Institute is functioning in Puducherry and training to unemployed youth is imparted in driving Light Motor Vehicles and Heavy Motor Vehicles. A similar Institute is also functioning in Karaikal region. Refresher courses for Govt. Drivers are also conducted for updating their knowledge in maintenance & skill safe driving. Emission Control Test Stations each at Govt. Automobile Workshop, Puducherry and Karaikal are being set up to cater to the needs of the Govt. vehicles as well as that of the public.

### **TRANSPORT**

The Transport Department renders services like issuing Driving Licenses, Registering of Vehicles, issuing permits. To control and regulate road traffic, earning revenues by way of collecting taxes and fees. In order to provide effective service through latest technology, Smart Cards for vehicle registration and Driving License along with the allied customer care services are issued from November 2011. As directed by the Hon'ble Supreme Court of India, the Transport Department has implemented High Security Registration Plate to all new and old vehicles from the month of April 2012.

To increase revenue collections and to issue Temporary Permits and Special Permits, check posts are proposed to be setup at all the entry points to U.T of Puducherry. As a first step, it has been proposed to set-up 5 additional check-posts viz. 3 in Puducherry region and 2 in Karaikal region. It is proposed to give State share for the new railway line between Chennai and Cuddalore via Mahabalipuram, Marakkanam and Puducherry for which survey and alignment have been finalized by the Railways. It is proposed to construct 5 Road Over Bridges in Puducherry and a Transport Complex at Karaikal.
