

EDUCATION

SCHOOL EDUCATION

Education is the basic prerequisite to build a just, equitable society and tool for the development of the individual and the nation. The vision is to offer quality education aiming an all round development from Primary to Higher Secondary level.

There are 294 Primary Schools and 105 Middle Schools (both Govt./Govt. aided and private schools). Almost the habitations in this Union Territory are provided with access to Primary Schools within 1 km distance. The dropout in Primary is Nil. The teacher pupil ratio is 1:25 (National norms 1:32). Pre-primary classes in all Government Primary Schools have been started due to the importance of pre-primary education.

There are 180 High Schools and 135 Higher Secondary Schools (both Govt./Govt. aided and private schools) providing with lab of 20 computers and LCD projectors. Secondary and Higher Secondary Education is a crucial stage in the educational hierarchy as it prepares the students for higher education and also for the world of work. Therefore, it is proposed to strengthen this stage by providing greater access and also by improving quality in a significant way.

The Government of Puducherry attaches utmost importance to achieve 100% enrolment and retention of children in Government schools by taking various measures. In order to achieve this goal the Government is providing text books, note books, stationery items, uniforms and footwear free of cost to all the students studying from LKG to XII standard in all Government Schools. In addition, this administration has also launched the 'Bus Pass Scheme' to reduce burden of the transport difficulties of the school going children.

The District Institute of Education & Training (DIET) and the State Training Centre (STC) provides training to teachers for improvement of quality education.

To implement the provisions of the Right to Children to Free and Compulsory Education Act, 2009, the Puducherry Right of Children to Free and Compulsory Education Rules, 2011 has been notified vide G.O. Ms. No.101 dt. 24th October 2011.

Sports and Physical Education forms an integral part of School Education curriculum from Primary to Higher Secondary Education. Active participation of students are ensured in all Sports and Physical Education activities and the talents of students are nurtured. There is ample evidence that students exhibit their potential in varied disciplines of games and sports

especially from Middle School level and these talents have to be fostered, strengthened and nurtured towards achieving excellence as they grow up. In this context various sports programmes at National/State/Zonal Level are organized.

HIGHER & TECHNICAL EDUCATION

The starting of National Institute of Technology at Karaikal and the prospects of establishing Puducherry State University along with 2 Engineering Colleges, 11 Arts and Science Colleges, 6 Polytechnic Colleges, 1 Community College, 1 B.Ed. College under the purview of this Directorate and more than 100 higher learning Institutions both Govt. and Private have set up the right tone for Puducherry to play as knowledge hub among the southern states and will play a major role in the Higher sector during the upcoming 12th Plan period(2012-17). Higher Education remains a source of huge potential and promise for future. Hence our mission during the 12th Five Year Plan is to empower the youth to choose and lead a life appropriate to their talents by ensuring facilities for Higher Education.

ART & CULTURE

The Union Territory of Puducherry, the erstwhile French colony has many legacies of art & culture with a rich heritage. Maintenance of Romain Rolland Library, 80 nos. of Public Branch Libraries, Bharathiar, Bharathidasan, Subbaiah, Toy, French, Kizhour and Puducherry Museums come under the purview of the department. Vizhas and workshops are successfully conducted and awards along with the monthly honorarium are given to the meritorious/outstanding artists in various fields to encourage literary and research works etc. Financial assistance are given to the persons distinguished in letters/performing visual arts etc. Further the department is preserving the records/publications and strengthening the archives. Grant-in-aid are released to Bharathiar Palkalaikoodam, Pondicherry Institute of Linguistic and Culture and INTACH, Puducherry every year for the overall development of Art and Cultural activities of the Puducherry. Preliminary works relating to the construction of Kamarajar Manimandapam will be taken up in the financial year.

Voluntary Cultural organisation are assisted and fellowship grants provided to the research scholars for pursuing higher studies in the fields of Art and Culture. Grant of Financial assistance for the publication of Manuscripts and for making Documentary Film on the life history of renowned poets / freedom fighters.

LAW (Higher Education)

The Law college campus which was started in the year 1972 has an area of 28 acres with academic block, library, Moot Court, Administrative Block, hostels for boys and girls. Presently 5-year / 3-year integrated courses, 2-year course in Post Graduation, one year evening course and fulltime and part time Ph. D. courses are conducted.
