SPECIAL COMPONENT PLAN

Introduction

The Union Territory of Pondicherry consists of four regions, namely, Pondicherry, Karaikal, Mahe and Yanam lying geographically isolated from one another. Pondicherry region which is on the east coast, about 162 kms. south of Chennai is the largest of these and consists of 12 scattered areas interspersed with enclaves of Villupuram district and Cuddalore District of Tamilnadu. Karaikal region is about 150 Kms. south of Pondicherry and it is surrounded by Nagapattinam District of Tamilnadu. Yanam region is located about 840 kms. north east of Pondicherry near Kakinada in Andhra Pradesh. Mahe region lies almost parallel to Pondicherry 653 kms. away on the west coast near Tellicherry in Kerala.

Area and Population

The Union Territory of Pondicherry is 492 sq.kms. in area and has a population of 9,73,829 consisting of 4,86,705 males and 4,87,124 females according to 2001 census. The region-wise breakup is as follows:

Scheduled Castes Population

The Scheduled Castes population is 1,31,278 which is found to be 16.25% of the total population of 8,07,785 of 1991 census. The region-wise break-up is as follows:

| Region | S.C. Population | Percentage |
|-------------|-----------------|------------|
| Pondicherry | 1,01,298 | 16.65 |
| Karaikal | 25,817 | 16.72 |
| Yanam | 4,040 | 19.90 |
| Mahe | 123 | 0.77 |
| Total | 1,31,278 | 16.25 |

The details of rural and urban distribution of Scheduled Caste population as per 1991 census are as shown below:

| Rural/Urban | Total Population | Scheduled Caste | Percentage |
|-------------|------------------|-----------------|------------|
| Rural | 2,90,800 | 77,727 | 26.73 |
| Urban | 5,16,985 | 53,551 | 10.36 |
| Total | 8,07,785 | 1,31,278 | 16.25 |

Majority of the Scheduled Castes in this Territory are agricultural labourers and Small/Marginal cultivators. Even in respect of livestock and allied activities their participation is not much. Those who are engaged in trade and commerce are negligible.

SCHEDULED TRIBES

There are no Scheduled Tribes in the Union Territory of Pondicherry according to 1991 Census report.

FORMULATION OF SPECIAL COMPONENT PLAN

Till beginning of Sixth Five Year Plan, programmes were taken up under backward classes sectors in the selected fields such as Education, Housing and Drinking Water Supply, Sanitation, Roads, etc. The main plan of the work undertaken for the advancement of SCs relates to the provision of educational facilities. The Programme of action includes award of prematric, post-matric scholarships, supply of books, slates and other stationery articles and free supply of uniforms etc. A chain of hostels were opened to provide free boarding and lodging for harijan students. Tools and instruments required for Carpenters, Cobblers, Washerman, Hairdressers, agricultural labourers were supplied free of cost to these engaged in their traditional avocation. The problem of housing among harijans was tackled a two pronged Programme of action i.e. through allotment of free house sites and financial assistance for construction of huts. Under the scheme launched in 1974, civic amenities such as approach roads, internal roads, pathways to burial grounds, culverts, bath rooms, lavatories etc. were provided in harijan

localities. Arrangements was made to provide hygienic drinking water to harijan localities. The scheme for construction of multi-purpose community halls in harijan settlements was taken up so as to provide them better place for conducting meetings, adult education classes and social functions like marriages etc.

The Special Component Plan concept was first introduced during the Sixth Plan to chanalise the flow of benefits and outlays in physical and financial terms from the general sectors in the Plans of the States/Union Territories for development of SCs. These plans are envisaged to help the poor SC families through composite income generating/welfare schemes. The system has evolved a useful mechanism to draw funds and physical benefits in various sectors for improving the socic economic and living conditions of the Scheduled Castes.

Special Component Plan is prepared as an integral part of Five Year Plan/Annual Plan showing sectorwise schemewise outlays earmarked for Scheduled Castes and corresponding physical targets. According to the guidelines received from Government of India, flow of funds to SCs in States and Union Territories should be equivalent to percentage of Scheduled Castes population to total population of the States and Union Territories. As per 1991 census, the population of SCs in this territory is 1,31,278 which is 16.25% of the total population of 8,07,785. Hence 16.25% of total Plan allocation should be earmarked for SCs in this Union Territory.

It may not be practicable to absorb the entire flow of funds earmarked for SCs (16.25% of Plan Allocation) under Backward Classes sector implemented by the Welfare of Scheduled Caste department. Hence it becomes necessary to identify programmes for scheduled castes in the sectors implemented by other departments and expenditure on implementing such programmes may be shown under Special Component Plan. While formulating programmes, every department should ensure that there is no duplication in programmes to avoid unhealthy competition between departments in selection of beneficiaries.

In some sectors like Fisheries, Handlooms, Port, Stationery & Printing, Public Works, Tourism etc. It may not be possible to earmark funds for Scheduled Castes and such sectors are called as indivisible sectors. Similarly it may not be possible to earmark funds for Scheduled Castes in certain schemes like construction of office buildings, construction of bridges, development of ports, modernisation of Police etc and such schemes are called indivisible schemes. But in order to show minimum flow of 16.25% in total Plan allocation, it becomes necessary to earmark higher outlay for Scheduled Castes in the divisible schemes/ sectors and departments have been advised to keep these feasibility's in view while implementing the schemes included in the Special Component Plan.

The quasi-Government organisations such as PIPDIC, Housing Board, Local Bodies, Khadi and Village Industries Board, Spinning Mills, Sugar Mills, Tourism Development Corporation PASIC, PAPSCO, Women Development Corporation, Adi-Dravidar Development Corporation and other public undertakings, all categories of cooperatives, etc.. also advised to earmark outlays and physical targets for Scheduled Castes in schemes/ programmes implemented by them. It should be ensured by Administrative department which is releasing grants/ subsidy/ share capital etc. to such agencies that they also adopt all guidelines issued for formulating the Special Component Plan in respect of schemes/ programmes implemented by them. It is the responsibility of the administrative department to collect and keep the required information so that the same could be retrieved and furnished to the Planning Secretariat / Welfare Secretariat as and when they are called for to send replies to Government of India, Parliamentary Committee, Commission for SCs/STs Parliament Questions etc.

It may not be possible to generate adequate income to scheduled caste families and enable them to cross the poverty line by covering a family by only one scheme. It is inevitable that two or more schemes by two or more departments have to cover the same family during the same year to ensure that the beneficiary family could generate additional income from all these schemes to lift it above the poverty line. Concerted efforts by the departments are necessary to carry out this task. At the same time double and triple counting has to be avoided while furnishing the reports on number of families covered. Hence departments have to maintain a list of Scheduled Caste families covered under each scheme in each village and this may be sent in future as a supporting annexure to the reports. A register can be maintained to record these particulars in the Planning Section of the department showing the particulars of (1) name of commune; (2) name of village, (3) name of habitation (4) name of head of family (5) occupation of head of family; (6) number of family members; (7) annual income of the family at the time of coverage under the scheme and (8) anticipated additional income by covering the family under the scheme. DRDA norms may be adopted for drawing the poverty line.

Among the Scheduled Castes, there are some vulnerable and highly disadvantaged groups such as sweepers, scavengers, leather workers, nomadic people, people who work in burial grounds and those who are engaged in other unclean occupations. Priority will be given to cover such families in the economic development scheme implemented by the departments. Facilities such as housing, financial assistances, etc. should flow to all these disadvantaged groups in a larger measure and a crash plan should be prepared to cover all such families by appropriate economic development and social development schemes during the Eighth Plan period itself. For these disadvantaged groups a higher percentage of financial assistance may also be provided.

In regard to location of schools, health, centers, libraries, cooperatives, construction of water supply works, drainage, road etc., preference should be given for locating them in SC habitations. In such cases the entire outlay meant for such works can be shown as outlay earmarked for Scheduled Castes. There may be some village habitations in which the Scheduled Castes may exceed 50% of the total population of the village. In respect of such villages the entire outlay provided for works mentioned above may be shown as outlay earmarked for SCs. While indicating outlays of this category utmost care and check need to be exercised by the department in regard to collection of data on SC population and non-SC population of the village and then only the earmarking of outlay of Scheduled Castes is indicated so that such earmarking could stand the test of verification in the field at a later date by any evaluating / inspecting agency. Detailed knowledge of the conditions obtaining in the field is a pre-requisite for doing this exercise of earmarking outlay for Scheduled Castes. The names of Scheduled Caste habitations where such public facilities are set up or proposed to be set up should be furnished under such scheme in the scheme details.

A good number of schemes are implemented in this Union Territory under various sectors wherein the benefit of Plan schemes directly flow to SCs. It includes financial assistance for construction of houses, upgradation of existing houses, free distribution of housing sites, distribution of books, notebooks, uniforms, to school going children, distribution of bicycles free of cost to students of 9th Standard and above, distribution of agricultural implements, tractors at subsided cost, distribution of milch animals at subsided cost, special incentives to start industries, training for upgradation of skills of SCs, financial assistance to become the member of the Cooperative societies, free distribution of clothing items, distribution of rice during festival season, old age pension etc. Expenditure increased on these schemes may be shown under SCP component.

Number of educational institutions admit SC students based on reservation policy being followed in this Union Territory. It includes admission to various professional colleges such as Pondicherry Engineering College, Dental College, Agricultural college, Mother Teresa Institute of Hospitality Craft, Govt. Polytechnics, Centre for PG Studies etc. 16% allocation given to these institutions may be shown under Special Component Plan. Similarly, Public Sector undertaking receives grant from Govt. of Pondicherry. They have been insisted to ensure that 16% of benefits should flow to the SC community. It includes the programmes of Housing Board, Slum Clearance Board, Co-operative institutions etc. Public Sector undertaking engaged in commercial activities are instructed to ensure that 16% of employees should be from SC community. Allocation of funds and aids/Share Capital Assistance to the extent of 16% may be shown under Special Component Plan.

Number of schemes are being implemented in the Union Territory wherein actual flow to SCs cannot be actually measured. For example, number of SC patients taking treatment in General Hospitals, Maternity Hospitals etc cannot be measured. Similarly, funds spent on development of major roads, bridges, water supply schemes connecting the SC habitations, development of Irrigation tanks cannot be apportioned to SCs on percentage of people actually benefits from such schemes. However, based on our experience and observation, notional flow may be shown under SCP.

In order to ensure full utilisation of funds provided under Special Component Plan, Heads of Departments should prepare Action schedule and steps should be taken to realise the targets in full before the end of the financial year. Department should also take advance action in locating public institutions in SC habitations/ nearby SC habitations so that non-availability of suitable sites should not be the justifications to divert funds earmarked for SCs. Director of Welfare of SCs may be approached for locating public institutions in SC habitations.

Based on past experience, the Ministry of Social Justice and Empowerment, Government of India have underlined the need for certain course corrections and qualitative and quantitative improvements with an ultimate aim to enable the Scheduled Castes to cross the poverty line once for all. Various points / various suggestions highlighted in their letter are given below:

- (i) The developmental needs of the SCs / STs people should be identified according to the order of priorities. Among the immediate developmental needs, top priority should go to :
 - Provision of minimum needs including drinking water, Electricity, Schools, Health Centers and link roads in SC colonies.
 - A Vigorous drive in implementing Land Ceiling Acts like immediate physical occupation of surplus lands and actual distribution of such lands to SCs
 - A substantively stepped up educational programme with appropriate schemes to reduce the gap in the literacy level between SCs and the rest of population with Special reference to girls education.
 - A massive and quick programme for appropriate small, minor and medium irrigation projects for the benefits of SCs not only to improve the productivity of their un-irrigated lands and their living standards but also the total national food production is pushed up.
 - Preventing land alienation and restoration of alienated lands belonging to SCs and proper recording of all the land owner and traditionally used otherwise by them.
 - Appropriate Income generation schemes Dairying, Animal Husbandry, Horticulture, Sericulture, Weaving, Handicrafts etc.

- Ensuing a remunerative price for surplus Agricultural produce of SC people.
- Programme for Occupational diversification of those sections of SCs who are engaged in Unclean Occupations like scavenging, flaying and tanning of skin and imparting alternative skills to them for their rehabilitation's.
- Ban on dry latrine and expeditious rehabilitation's of displaced scavengers with improved tools, aids and equipment's for cleaning wet latrines and sewage system.
- (ii) Programmes/ Schemes in the above areas should be specifically drawn suiting the local needs for SCs. They should not be mere extension of programme meant for the general population.
- (iii) The total outlays under Special Component Plan should be arrived at first and then distributed among different sectors according to the needs. They should not be allocated as a mere arithmetic proportion of the outlay in each sectors.
- (iv) The Special Central Assistance by Government of India should be properly utilised to supplement the efforts of the States and for specific programmes where there are gaps in the State Plan.
- (v) Personal policies concerning those in charge of the programmes for SCs. should be such as to motivate them strongly, get them committed and work with real sincerity. A senior officer of proved efficiency and commitment for the cause of SCs should be placed in over all charge of the Special Component Plan with adequate authority and proper support for the successful implementation of Special Component Plan. His tenure should be at least for a minimum period of 4 years to enable him to carry out innovations and made an impact on Scheduled Caste development. It is equally important to select right type of field officers and staff to work on SC areas and to motivate them properly.
- (vi The SC beneficiaries should be associated in all stages of the developmental Lefforts undertaken for them.
- (vii) Services of the sincere and dedicated public workers and voluntary organisations engaged in SC development should be associated in the formulation and implementation of programmes especially in the field of education, employment, nutrition, removal of untouchability etc.

Ministry of Social Justice and Empowerment, Government of India underlined the urgent need for training and skill development programme for SCs to keep place with the increasing demand for qualified and trained SC candidates for various fields both under public and private sectors. Salient points highlighted in their letter are listed below:

- (i) Entrepreneurial development training programme in the fields like leather work, food processing, horticulture, handlooms, powerlooms, assembly of low technology electronic / electrical goods like radios, T.V.S, Mixers etc. will be developed for SC youths with the help of technical institutions. Government organizations like Khadi and Village Industries Board (KVIB), Small Industries Development Corporation, etc. It is stated in this connection that Scheduled Caste Development Corporation as well as leading companies are not only to impart training to SC youths but also in marketing their products under their brand names.
- (ii) Unemployed SC youths could also be imparted training in certain important areas like typewriting, shorthand TV/Radio repairs, motor driving etc. For those in rural and

semi urban areas, particularly for women training could be given in tailoring, embroidery, doll making, making of wall hanging, leather / rexin bags, carpet making, making of sarees, shawls, woolen clothes etc., depending upon the demand for the products in local areas. Educated unemployed Scheduled Caste girls may be given training in nursing, mid-wifery and teaching also.

- (iii) Training programme could be taken up by taking additional candidates in the regular courses or separate training programmes may be organised. The duration of the training programmes should be reasonable with provision for ensuing appropriate standards through tests-exams at the end of course. Vocational training course may also be conducted. In such cases, they should be supplied essential equipment's, minimum working capital etc.
- (iv) Trained SC candidates could be assisted to form viable cooperatives. The trained candidates in trades like electronics and computers and willing to settle down in self employment should be assisted by Scheduled Castes Development Corporation, People trained in nursing and teaching should be guided and helped in securing regular jobs. Not only all the districts of the State / UT should be duly covered but also wastage of any kind in organising training should be avoided. It is also mentioned that State / UT Administration should ensure adequate flow of funds from Special Component Plan and Special Assistance to these training Programmes.

Provision of basic facilities in Schedule Castes habitations

Provision of facilities and services in the Scheduled Castes habitations is an important strategy for developing them in the Union Territory. Drinking water, link roads, street lights, sanitation, etc. are the facilities and services to be provided to Scheduled Caste habitations. Schools, health centers, veterinary dispensaries, co-operative societies libraries etc. are opened near their habitations. The location of these facilities improve the status and prestige of Scheduled Castes. To enable the departments to know the location and concentration of SCs in the Territory, a list showing the names of villages/urban wards in the Territory, with total population and Scheduled Caste population according to 1991 Census in the descending order, has been communicated to all departments. This helps the departments in taking suitable decisions for locating public institutions in these habitations (Annexure I may please be perused).

FUNDS EARMARKED FOR SPECIAL COMPONENT PLAN

Heads of Departments are first addressed in the month of August/September to send plan proposals for the next Annual Plan indicating actual requirements of funds for ongoing schemes and new schemes with the details of proposed physical targets. Head of the Departments are also asked to earmark funds for the SCs under each divisible schemes. Technical guidance is also given to officers of implementing Departments to earmark funds for development of SCs so that percentage of funds flow to SCs in the overall state plan is in proportion to SC population in this Union Territory.

As per 1991 census SCs account for 16.25% of the total population. Accordingly, it was ensured that the percentage of funds earmarked for SCP was always in proportion to the percentage of SC population in the Union Territory. The allocations under SCP for the Eighth Plan 1992-1997 and Ninth Plan 1997-2002 are as follows:-

Eighth Plan (Rs. in lakhs)

| Year | State Plan Outlay | Special Component Plan Outlay | Percentage |
|-----------|-------------------|----------------------------------|------------|
| 1992-1993 | 9000.00 | 1447.16 | 16.08 |
| 1993-1994 | 10800.00 | 1753.95 | 16.23 |
| 1994-1995 | 13500.00 | 2193.96 | 16.25 |
| 1995-1996 | 17552.00 | 2852.20 | 16.25 |
| 1996-1997 | 20066.00 | 3258.30 | 16.25 |

Ninth Plan

(Rs. in lakhs)

| Year | State Plan Outlay | Special Component Plan Outlay | Percentage |
|-----------|-------------------|----------------------------------|------------|
| 1997-1998 | 21800.00 | 3546.67 | 16.26 |
| 1998-1999 | 26100.00 | 3268.01 | 12.52 |
| 1999-2000 | 30080.00 | 4352.68 | 14.47 |
| 2000-2001 | 32132.00 | 4199.70 | 13.07 |
| 2001-2002 | 35500.00 | 4024.25 | 11.34 |

Tenth Plan

(Rs. in lakhs)

| Year | State Plan Outlay | Special Component Plan Outlay | Percentage |
|-----------|-------------------|----------------------------------|------------|
| 2002-2003 | 41205.00 | 4347.34 | 10.55 |
| 2003-2004 | 45277.00 | 7359.30 | 16.25 |

However, during the Ninth Plan 1997-2002 and Annual Plan 2002-03 proportionate allocation could not be made in view of the fact that the lion share of plan funds were spent for capital intensive projects like construction of tail end regulator across river Arasalar, Electronic park, IT Park, Development of port, Construction of office buildings, Construction of civil station at Karaikal, Handloom Development, Development of Tourism etc.,

MONITORING OF SPECIAL COMPONENT PLAN

In the Union Territory of Pondicherry, the implementation of Special Component Plan is closely monitored through review meetings. As a result of close monitoring of schemes implemented under SCP, the percentage of expenditure in this Union Territory was always over 90%. The details of outlay and actual expenditure under SCP during the last 10 years are given below:

| Year | Outlay | Expenditure | % |
|-----------|---------|-------------|--------|
| 1992-93 | 1447.16 | 1493.14 | 103.18 |
| 1993-94 | 1753.95 | 1648.41 | 93.98 |
| 1994-95 | 2193.96 | 2079.99 | 94.81 |
| 1995-96 | 2852.20 | 2852.30 | 100.00 |
| 1996-97 | 3258.30 | 2937.77 | 95.00 |
| 1997-98 | 3546.67 | 2874.00 | 81.04 |
| 1998-99 | 3268.01 | 3256.33 | 99.64 |
| 1999-2000 | 4352.68 | 4124.18 | 94.75 |
| 2000-2001 | 4199.70 | 4098.03 | 97.58 |
| 2001-2002 | 4024.25 | 3996.78 | 99.31 |
| 2002-2003 | 4347.34 | 4295.51 | 98.81 |

Being a small Union Territory, feedback is also received through field level officers and through public representatives (MLA's) on the implementation of SCP in this Union Territory and short comings if any are quickly rectified for better utilisation of funds earmarked for development of SCs.

Anti Poverty Programme

District Rural Development Agency has conducted the Below Poverty Line(BPL) census based on the guidelines of the Ministry of Rural Areas and Employment, Government of India, for Ninth Plan in this Union Territory. As per the census, there are 63,262 rural families living below the poverty line in this U.T. (Annual income of less then Rs.20,000) of which 22,562 families are SCs.

Similarly the Local Administration Department has conducted the Below Poverty Line (BPL) census in Urban areas based on the guidelines of the Ministry of Urban Areas Development, Government of India. As per the census, there are about 32,872 families living below the poverty line in urban areas (Annual Income of less then Rs.23,000/-) of which 4102 families are SCs. Thus altogether there are 26,664 SCs families living below the poverty line in this Territory and they are covered under Anti-poverty programmes. During the Ninth Five Year Plan 12500 families were assisted under various economic development programmes. During the Tenth Five Year Plan it is programmed to cover the rest of the 14,164 families in a phased manner.

As far as the Union Territory of Pondicherry is concerned the economic development schemes for development of Scheduled Castes are being implemented by 5 departments/

agencies namely, Agriculture, Industries, Adidravidar Welfare, District Rural Development Agency and Adidravidar Development Corporation.

Department-wise and year-wise breakup of target and achievement is given below:-

| Departments/ | 2002-07 | 2002 | 2-2003 | 200 | 3-2004 | Target |
|--|--------------------|--------|------------------|--------|-------------|----------------|
| Agency/ Department | Target Proposed | Target | Achieve- ment | Target | Achievement | Target 2004-05 |
| D.R.D.A. | 3664 | 733 | 733 | 733 | 733 | 800 |
| Agriculture | 2500 | 500 | 571 | 500 | 500 | 500 |
| Industries | 500 | 100 | 347 | 100 | 300 | 100 |
| Adi Dravidar Welfare Department | 1500 | 300 | | | | |
| Adi Dravidar Development Corporation | 6000 | 1200 | 1272 | 1295 | 1245 | 1300 |
| Total | 14164 | 2833 | 1619 | 2628 | 2778 | 2700 |

SPECIAL CENTRAL ASSISTANCE

Ministry of Social Justice and Empowerment, Government of India release Special Central Assistance (SCA) every year as an additive to Special Component Plan to States / Union Territories from the budget of the Ministry of Social Justice and Empowerment, Government of India. According to the guidelines, Special Central Assistance should be utilised in conjunction with Special Component Plan for filling the critical gaps and for providing missing inputs on viable schemes for Economic Development of Scheduled Castes families. The income generating scheme for Scheduled Castes include direct relevant training to back up services and institutional build-up and arrangements for implementation, supervision and evaluation. The scope of the existing Special Central Assistance has been widened to include infrastructural development programmes in blocks having 50% or more of Scheduled Caste population subject to the condition that the Special Central Assistance allocation should be made use of in such a way to encourage larger efforts on development of SCs on the part of the States/Union Territories.

The Pondicherry Adidravidar Development Corporation has been set up by the Pondicherry Government under the Companies Act, 1956 to serve as a model institution for financing development schemes for SCs and to liaise with various financial and other agencies for the purpose of identifying various financial and other agencies for the purpose of identifying various trades/ business /professions and other economic activities of importance to SCs so as to fill the critical gaps in the existing programmes and to generate employment and increase their economical level and to upgrade skills by providing training facilities directly in the institutions or in collaboration with the Agencies in the field.

In order to achieve these objectives, the Corporation has formulated various selfemployment schemes to benefit the SCs who are living below the poverty line.

The list of self employment schemes implemented by Adidravidar Development Corporation is given below:

| SI.No. | Name of the Scheme |
|--------|------------------------------------|
| 1. | Dairy |
| 2. | Poultry |
| 3. | Goat rearing |
| 4. | Duck rearing |

The object of the scheme is to provide clothing to the poor SC people who are not in a position to purchase even the minimum required clothing for their use. Under the above scheme, a SC male will be supplied with a dhothi and a towel and SC female will be supplied with a saree and a blouse piece 0.75 mt. each. Under the scheme, all SC married people who are below the income level of Rs.15000/- are benefited.

5. Financial Assistance for the marriages of poor SC Brides, pregnant and lactating woman and to the parents of unemployed graduate

Financial Assistance of Rs.7500/- each to SC brides in respect of 1st and 2nd daughter also whose parent's annual income does not exceed Rs.15,000/- for performing their marriage to mitigate the financial hardship is being given. Financial Assistance of Rs.500/- (Rs.100/- in cash and a baby kit worth Rs.400/-) is being given to poor scheduled caste pregnant and lactating women for pre/post natal care, treatment etc.

6. Grant of subsidy for construction of low cost dwelling units

Under the housing sector, financial assistance was given to SC people who are allotted house sites either by this directorate or in possession of the house site of their own in the form of subsidy to the tune of Rs.10,000/- with a view to enable them to construct a house of their own. The amount has been enhanced to Rs.20,000/- from the year 2000-2001. It is further enhanced to Rs.40,000 from 2003-04 onwards. The above assistance is being given in three instalments based on the stage of construction.

7. Financial Assistance to SC people to perform funeral rites

To mitigate the financial hardships experienced by the poor SC people in performing the funeral rites of deceased, a sum of Rs.1000/- each to the relative of the deceased is given from the year 1998-99.

8. Award to Inter-caste married couple

With a view to encourage the inter-caste marriage, award to the tune of Rs.5000/- was given to the inter caste married couples as a step in the direction of creating a casteless society. This amount has been enhanced to Rs.10,000/- from the year 1998-99.

9. Financial Assistance to SC Law/Medical Graduates for setting up of private practice

Under this scheme financial assistance is provided to SC Law/Medical graduates of setting up of their own practice. The assistance is to meet the initial investment cost necessary for Law/Medical books, equipments, furniture etc., while the law graduates are given Rs.1500/-. Medical graduates are given Rs.2500/-. It is proposed to enhance the quantum of financial assistance.

I. Working Group Recommendations on development and welfare of Scheduled Castes during Eighth Plan

Planning Commission constituted the working Group for the formulation of policy guidelines, objectives and laying down the broad strategies for the development of welfare of the Scheduled Castes during Eighth Five Year Plan under the chairmanship of Shri. S.S.Varma, Secretary Ministry of Social Justice and Empowerment, Government of India. The working Group has submitted its report to the Government of India in August 1989, which is made available to the State/Union Territories.

The Working Group on the basis of past experience during Sixth and Seventh plan periods set the following Objectives for the Eighth Plan.

- i. Conservation of whatever assets the Scheduled Castes have
- ii. Provision / transfer of adequate assets like land to them;
- iii. Updating and/or provision of new skills to improve their employability or productivity;
- iv. Ensuring minimum wages to agricultural labour preventing their exploitation by others in any way;
- v. Providing minimum literacy and functional skills through education to every Scheduled Castes group up to 35 years age as part of the programmes of Universalisation of Elementary Education and Eradication of illiteracy.
- vi. Enabling them to acquire special educational /technical qualifications and avail of existing as well as newly emerging employment opportunities;
- vii. Provision of entrepreneurial training to educate unemployed Scheduled Caste Youth;
- viii. Helping in their taking diversified activities including in the areas of manufacturing, trades and business through self-employment programmes;
- ix. Modernising existing traditional activities like tanning and leather work;
- x. Liberating them from demeaning work like scavenging of dry latrines;
- xi. Doing what all necessary to tackle and eradicate the social problem of untouchability; and
- xii. Provision of minimum needs and basic amenities in their habitations.

II. The working group evolved the following strategy for the development of Scheduled Castes during the Eighth Plan will also be followed for Ninth Plan.

- i. The strategy of Special Component Plans, Scheduled Castes Development Corporations, etc., already being followed, should be continued and further intensified during the Ninth Five Year Plan pursuing the indicated objectives ensuring adequate thrust on economic and educational development of Scheduled Castes;
- ii. The Special Component Plan of the State should provide for meeting the minimum needs/basic amenities of all the Scheduled Caste habitations with a view to improve their quality of life generally;
- iii. The Special Component Plan of the State should provide for judicious mix of beneficiary oriented programmes and human resources;
- iv. The scheme taken up should be viable and as far as necessary innovative and in a way to diversify Scheduled Caste into newer areas of economic activity;
- v. There should be provision for meeting the backward and forward infrastructural needs, projecting the approach as far as necessary;
- vi. The scheme taken up should be open-ended for the development of Scheduled Castes;
- vii. The delivery systems have to be effective;
- viii. The organization and association of the beneficiary groups should be given due preference;
- ix. One of the identified gaps has been the need for indicating a sense of commitment and urgency in policy making and implementing machinery to fulfill the objectives of development of Scheduled Castes and on desired lines and their integration with the mainstream; and
- x. The Voluntary Agencies may be suitably associated in the programmes. The Scheduled Caste organizations themselves should be given due preference.

III. The Working group also recommended that the Special Component Plan should give Thrust to the following areas;

- The Eighth Five Year Plan should provide for adequate thrust and funds for occupational diversification of Scheduled Caste people from the traditional occupation to the other occupations of better earnings, dignity and respect;
- ii. The occupational areas like tanning and leather work should be modernized and hygienic work environment should be created to take away the stigma attached to this profession;
- iii. Creation/transfer of assets and channel of productive and managerial skills in Scheduled

- Caste people from entrepreneurial development;
- iv. Strengthening the wage employment opportunities through programmes like Jawahar Rojgar Yojana Employment Assumed Scheme for Scheduled Caste people;
- v. Creation of educational facilities for improvement of literacy level in Scheduled Caste people and their educational standard;
- vi. Provision of minimum needs of Scheduled Caste habitations, such as drinking water, electricity, medical facilities, educational facilities and link roads;
- vii. Earmarking of a minimum of 30% funds of employment generation programme for Scheduled Caste habitations;
- viii. Effective programme for merger of Scheduled Caste people with the main stream:
- ix. Award of small contacts and local level works to Scheduled Caste people such as social forestry and plantation works;
- x. Provision of self-employment opportunities by public sector undertakings to the Scheduled Caste people and giving them opportunities for manufacture of ancillaries with buy-back arrangements;
- xi. Provision of infrastructural facilities; and
- xii. The nationalized banks and other national level Government agencies should also have Special Component Plans, Banks should also have the responsibility to ensure that the development schemes taken up for Scheduled Caste people are relevant, the investments including loan component are adequate and the amounts are utilized on cost effective basis enable to the assisted families to cross the poverty line.

IV. Prime Minister's letter to State/Union Territories on formulation of Special Component Plan during Eighth Plan

Prime Minister in his letter dated 12.01.90 addressed to the Chief Minister of Union Territory of Pondicherry has emphasized that there is a need for certain course corrections and qualitative and quantitative improvements with an ultimate aim to enable the Scheduled Castes to cross the poverty line once for all. Various points/various suggestions highlighted in his letter are reproduced below

- (i) The developmental needs of the SCs/STs people should be identified according to the order of priorities. Among the immediate developmental needs, top priority should go to:
- Provision of minimum needs including drinking water, Electricity, Schools, Health Centres and link roads in Scheduled Caste colonies.
- A vagaries drive in implementing Land Ceiling Acts like immediate physical occupation of surplus lands and actual distribution of such lands to Scheduled Castes.
- A substantively stepped up educational programme with appropriate schemes to reduce the gap in the literacy level between Scheduled Castes and the rest of population with special reference to girls education.

- A massive and quick programme for appropriate small, minor and medium irrigation projects for the benefits of Scheduled Castes not only to improve the productivity of their unirrigated lands and their living standards but also the total national food production is pushed up.
- Preventing land alienation and restoration of alienated lands belonging to Scheduled Castes and proper recording of all the land owner and traditionally used otherwise by them.
- Appropriate income generation schemes Dairying, Animal Husbandry, Horticulture, Sericulture, Weaving, Handicrafts etc.
- Ensuring a remunerative price for surplus Agricultural produce of Scheduled Caste people.
- Programme for occupational diversification of those sections of Scheduled Castes who are engaged in 'Unclean' occupations like scavenging, flaying and tanning of skin and imparting alternative skills to them for their rehabilitations.
- Ban or dry latrine and expedious rehabilitations of displaced scavengers with improved tools, aids and equipments for cleaning wet latrines and sewage system.
- (ii) Programmes/Schemes in the above areas should be specifically drawn suiting the local needs for Scheduled Castes. They should not to be mere extension of programme meant for the general population.
- (iii) The total outlays under Special Component Plan should be arrived at first and then distributed among different sectors according to the needs. They should not be allocated as a mere arithmetic proportion of the outlay in each sectors.
- (iv) The Special Central Assistance by Government of India should be properly utilized to supplement the efforts of the States and for specific programmes where there are gaps in the State Plan.
- (v) Personal policies concerning those in charge of the programmes for Scheduled Castes, should be such as to motivate them strongly, get them committed and work with real sincerity. A senior officer of proved efficiency and commitment for the cause of Scheduled Castes should be placed in over all charge of the Special Component Plan with adequate authority and proper support for the successful implementation of Special Component Plan. His tenure should be atleast for a minimum period of 4 years to enable him to carry out innovations and made an impact on Scheduled Caste development. It is equally important to select right type of field officers and staff to work on Scheduled Caste areas and to motivate them properly.
- (vi) The Scheduled Caste beneficiaries should be associated in all stages of the developmental efforts undertaken for them.
- (vii) Services of the sincere and dedicated public workers and voluntary organizations engaged in Scheduled Caste development should be associated in the formulation and implementation of programmes especially in the field of education, employment, nutrition, removal of untouchability etc.

TRAINING AND SKILL DEVELOPMENT

Joint Secretary, Ministry of Social Justice and Empowerment, Government of India in his letter D.O.No.17014/36/89/SCD-4, dated 4.9.89 underlined the urgent need for training and skill development programme for Scheduled Caste to keep place with the increasing demand for qualified and trained Scheduled Caste candidates for various fields both under public and private sectors. Salient points highlighted in his letter are listed below:

- (i) Entrepreneurial development training programme in the fields like leather work, food processing, horticulture, handlooms, powerlooms, assembly of low technology
 - electronic/electrical goods like radios, TV's, Mixers etc. will be developed for Scheduled Caste youths with the help of technical institutions.
- (ii) Unemployed Scheduled Caste youths could also be imparted training in certain important areas like typewriting, shorthand TV/Radio repairs, motor driving etc. For those in rural and semi urban areas, particularly for women training could be given in tailoring, embroidery, doll-making, making of wall hanging, leather/rexin bags, carpet making, making of sarees, shawls, woolen clothes etc., depending upon the demand for the products in local areas. Educated unemployed Scheduled Caste girls may be given training in nursing, mid-wifery and teaching also.
- (iii) Training program could be taken up by taking additional candidates in the regular courses or separate training programmes may be organised. The duration of the training programmes should be reasonable with provision for ensuing appropriate standards through tests-exams at the end of course. Vocational training course may also be conducted. In such cases they should be supplied essential equipments minimum working capital etc.
- (iv) Training Scheduled Caste candidates could be assisted to form viable co-operatives. The training candidates in trades, like electronics and computers and willing to settle down in self employment should be assisted by Scheduled Castes Development Corporation. People trained in nursing and teaching should be guided and helped in securing regular jobs. Not only all the districts of the State/UT should be duly covered but also wastage of any kind in organising training should be avoided. It is also mentioned that State/UT Administration should ensure adequate flow of funds from Special Component Plan and Special Central Assistance to these training Programmes.
